Dignity Beyond Death Rochel U. Berman, 2005 Winner of 2006 Koret Jewish Book Award Jewish Life Living category A basic tenet of Judaism is the obligation to value and serve the deceased to extend dignity beyond death In Judaism a death is the affair of the entire community Preparation of the dead for burial is undertaken by a community organization called the Chevra Kadisha the Sacred Society The volunteers of the Sacred Society quietly and privately wash purify and dress the deceased They simultaneously recite lyrical prayers from Psalms thereby bearing witness to death as the last of life's important passages *Dignity Beyond Death* examines the rituals of preparing the dead for burial from the point of view of those volunteers who undertake it including chapters on the Holocaust and terrorism For the first time through personal interviews the author shares a wealth of fascinating anecdotal material that will engage the reader in the humanity and ultimate dignity of this time honored deed

Humanity in God's Image Claudia Welz, 2016-08-18 How can we in our times understand the biblical concept that human beings have been created in the image of an invisible God This is a perennial but increasingly pressing question that lies at the heart of theological anthropology *Humanity in God's Image* An Interdisciplinary Exploration clarifies the meaning of this concept traces different Jewish and Christian interpretations of being created in God's image and reconsiders the significance of the imago Dei in a post Holocaust context As normative counterfactual notions human dignity and the imago Dei challenge us to see more Claudia Welz offers an interdisciplinary exploration of theological and ethical visions of the invisible By analysing poetry and art Welz exemplifies human self understanding in the interface between the visual and the linguistic The content of the imago Dei cannot be defined apart from the image carrier an embodied creature Compared to verbal visual and mental images how does this creature as a living image refer to God like a metaphor a mimetic mirror or an elusive trace Combining hermeneutical and phenomenological perspectives with philosophy of religion and philosophy of language semiotics art history and literary studies Welz regards the imago Dei as a complex sign that is at once iconic indexical and symbolical pointing beyond itself
