Boss Whistle Lynne Bowen, 1982-01-01 *LILTS AND LYRICS FOR THE SCHOOL ROOM* ALICE C.D. RILEY and JESSIE L. GAYNOR, 1907 When Coal Was King John Hinde, 2011-11-01 The town of Ladysmith was one of the most important coal mining communities on Vancouver Island during the early twentieth century The Ladysmith miners had a reputation for radicalism and militancy and engaged in bitter struggles for union recognition and economic justice most notably the Great Strike of 1912-14 This strike one of the longest and most violent labour disputes in Canadian history marked a watershed in the history of the town and the coal industry This book explains the origins of the 1912-14 strike by examining the development of the coal industry on Vancouver Island the founding of Ladysmith the experience of work and safety in the mines the process of political and economic mobilization and how these factors contributed to the development of identity and community While the Vancouver Island coal industry and the strike have been the focus of a number of popular histories this book goes beyond to emphasize the importance of class ethnicity gender and community in creating the conditions for the emergence and mobilization of the working class population Informed by current academic debates on the matter and within the discipline this readable history takes into account extensive archival research and will appeal to historians and others interested in the history of Vancouver Island Supreme Court Cattaraugus County, 1912 *Working Mother*, 1987-06 The magazine that helps career moms balance their personal and professional lives Industrial Pioneer, 1921 **Problem Bosses** Mardy Grothe, Peter Wylie, 1987 In *Problem Bosses* Grothe and Wylie reveal that whether they're compulsive cold arrogant or incompetent bosses can be challenged by 12 survival strategies The book also counsels readers to remember that most bosses are more worried about their own bosses than about their employees *American Builder*, 1927 Beadle's Half Dime Library, 1877 **McClure's Magazine**, 1895 *LLT*, 1998 *The Metropolitan Golfer ...*, 1928 *The American and English Railroad Cases*, 1913 **American and English Railroad Cases, New Series**, 1913 The Federal Reporter, 1912 Includes cases argued and determined in the District Courts of the United States and Mar May 1880 Oct Nov 1912 the Circuit Courts of the United States Sept Dec 1891 Sept Nov 1924 the Circuit Courts of Appeals of the United States Aug Oct 1911 Jan Feb 1914 the Commerce Court of the United States Sept Oct 1919 Sept Nov 1924 the Court of Appeals of the District of Columbia *United States Circuit Courts of Appeals Reports*, 1913 United States Circuit Courts of Appeals Reports United States. Courts of Appeals, 1913 Reports Containing the Cases Determined in All the Circuits from the Organization of the Courts, 1913 **The Holy Cross Purple**, 1917 *Essays in the History of Canadian Law* Hamar Foster, John McLaren, 1995-12-15 This sixth volume in the Osgoode Society's distinguished series on the history of Canadian law turns to the a central theme in the history of British Columbia and the Yukon law and order In the early days of British sovereignty the frenzied activity of the fur trade and the gold rush along with clashes between settlers and Natives made law enforcement a difficult business Later although law and order

were more firmly established tensions continued between the dominant populations committed to the practice and rhetoric of British justice and those groups owing allegiance to other value systems such as Native peoples Asian immigrants and Doukhobors or those resisting authority criminals and the criminally insane These essays look at key social economic and political issues of the times and show how they influenced the developing legal system The essays cover a wide range of topics and explore the human as well as the legal dimensions of their subjects relating specific cases to broader theory They demonstrate that English law has been flexible enough to accommodate diversity and is therefore pragmatic The volume also proves that there is no single Canadian legal culture geography demography politics economics and military considerations have had an impact on the shape of our legal culture The introduction by John McLaren and Hamar Foster pulls together the many regional themes to provide a clear overview of the legal complexities of the period
