## **Current Trends In The Study Of Midrash:**

*Current Trends in the Study of Midrash* Carol Bakhos,2006 This important collection of essays by leading scholars of rabbinics reflects the current methodological approaches to the study of midrash The volume situates midrash within the broader contexts of hermeneutics rabbinics and postmodern studies and thus presents a comprehensive view of the kinds of issues scholars in the field are engaging

*The Matriarchs in Genesis Rabbah* Katie J. Woolstenhulme,2020-12-10 Katie J Woolstenhulme considers the pertinent questions Who were the matriarchs and what did the rabbis think about them Whilst scholarship on the role of women in the Bible and Rabbinic Judaism has increased the authoritative group of women known as the matriarchs has been neglected This volume consequently focuses on the role and status of the biblical matriarchs in Genesis Rabbah the fifth century CE rabbinic commentary on Genesis Woolstenhulme begins by discussing the nature of midrash and introducing Genesis Rabbah before exploring the term the matriarchs and its development through early exegetical literature culminating in the emergence of two definitions of the term in Genesis Rabbah the matriarchs as the legitimate wives of Israel s patriarchs and the matriarchs as a reference to Jacob s four wives who bore Israel s tribal ancestors She then moves to discuss the matriarchal cycle in Genesis Rabbah with its three stages of barrenness motherhood and succession Finally Woolstenhulme considers Genesis Rabbah s portrayal of the matriarchs as representatives of the female sex exploring positive and negative rabbinic attitudes towards women with a focus on piety prayer praise beauty and sexuality and the matriarchs exemplification of stereotypical negative female traits This volume concludes that for the ancient rabbis the matriarchs were the historical mothers of Israel bearing covenant sons but also the present mothers of Israel continuing to influence Jewish identity

[Approaches to Literary Readings of Ancient Jewish Writings](#) Klaas Smelik,Karolien Vermeulen,2013-09-26 In this volume twelve contributions discuss the relevance accuracy potential and possible alternatives to a literary reading of ancient Jewish writings especially the Hebrew Bible Drawing on different academic fields biblical studies rabbinic studies and literary studies and on various methodologies literary criticism rhetorical criticism cognitive linguistics historical criticism and reception history the essays form a state of the art overview of the current use of the literary approach toward ancient Jewish texts The volume convincingly shows that the latest approaches to a literary reading can still enhance our understanding of these texts

Benjamin,2025-01-31 The Oxford Handbook of Deuteronomy is a gateway to what legal traditions teach about the cultural identity and social world of the people of YHWH how they thought about themselves and about their world and how they faced and resolved the challenges of daily life This Handbook introduces readers to significant topics in the thriving conversation and the rich diversity in the academic community studying Deuteronomy

**Carlo Bakhos (Hg.), Current trends in the study of Midrash** Alexander Dubrau,2008 [The Oxford Dictionary of the Jewish Religion](#) Adele Berlin,2011 Hailed by Library Journal as the best ready reference access point to the Jewish religion and as essential by

*The Watchers in Jewish and Christian Traditions* Angela Kim Harkins, Kelley Coblenz Bautch, 2014 Leading scholars explore the tradition rooted in Genesis 6 of the Watchers mysterious heavenly beings who became the focus of rich cosmological and theological speculation in early Judaism Chapters trace the development of the Watchers through the Enoch literature Jubilees and other early Jewish and Christian writings European Journal of Jewish Studies ,2008

**Rabbinic Perspectives** Orion Center for the Study of the Dead Sea Scrolls and Associated Literature. International Symposium, 2006 The studies in this volume examine the intersection of the Dead Sea Scrolls with early rabbinic literature Methodological attention is paid to questions of the nature of sectarian and rabbinic law and narrative and how they may elucidate one another **The Journal of Jewish Studies** ,2007

**Kabbalistic Manuscripts and Textual Theory** Daniel Abrams, 2010 Kabbalistic Manuscripts and Textual Theory uncovers the unstated assumptions and expectations of scribes and scholars who fashioned editions from manuscripts of Jewish mystical literature This study offers a theory of kabbalistic textuality in which the material book the printed page no less than handwritten manuscripts serves as the site for textual dialogue between Jewish mystics of different periods and locations The refashioning of the text through the process of reading and commenting that takes place on the page in the margins and between the lines blurs the boundaries between the traditionally defined roles of author reader commentator and editor This study shows that kabbalists and academic editors reinvented the text in their own image as part of a fluid textual process that was nothing short of transformative This book is certainly monumental offering in its seven hundred pages a wealth of documentation and distilled argument that manages to be both comprehensive in its materials and transparent in its critical insights It is rare indeed that a work of such formidable scholarship can actually be a pleasure to read and convincing in its elucidation of what are often extremely complex documentary circumstances and editorial traditions From the foreword by David Greetham *Revue de Qumrân* ,2006

**Revue de Qumran** ,2005    *Henoch* ,2008    **Rewritten Biblical Figures** Erkki Koskenniemi,Pekka Lindqvist,2010

Passamanek Alyssa M. Gray,Bernard S. Jackson,2007    *Yannai on Genesis* Laura Suzanne Lieber,2010 Piyyut is the art of Hebrew or Aramaic poetry composed either in place of or as adornments to Jewish statutory prayers Laura S Lieber uses the piyyutim of a single poet Yannai ca sixth century C E to introduce readers to this important but largely unfamiliar body of writings Yannai the first Hebrew poet to sign his name to his works by means of an acrostic influenced Hebrew sacred poetry for centuries beyond his lifespan He was the first to consistently use true end rhyme and he was among the first to have written for the weekly service and festivals rather than just particular holidays As literary works his poems are as dazzling as they are complex rich with sound and play allusion and linguistic beauty Lieber presents the Hebrew texts of Yannai s 31 extant piyyutim which embellish the Book of Genesis She translates annotates and analyzes these complex poems which display the poet s transformative treatments of some of the most familiar biblical narratives She contextualizes these poems and teaches readers how to read and appreciate piyyut by studying Yannai s poetic language and the formal structures of the poems his exegetical cultural and societal importance and intriguing motifs in Yannai s worldview such as mysticism holiness Jewish Christian relations and the role of women Lieber s groundbreaking study is an invitation to those with interests in areas such as liturgical studies rabbinic literature and targum studies the early synagogue and its art Byzantine Christian culture and society and the history of biblical interpretation to engage with these beautiful and neglected texts and include them in larger intellectual conversations    *The Peshitta* R. B. ter Haar Romeny,2006 This volume containing papers read at the Third Peshitta Symposium brings together biblical studies and Syriac liturgy and patristic literature It discusses the patristic and liturgical evidence for the Syriac versions as well as their reception in the Syriac churches
