Command the Morning, Day and Night Prayer M. Madueke, 2025-05-31 Some battles are lost before the sun rises Not because the enemy is stronger but because you failed to command the day Your mornings are not meant for silence Your nights are not meant for confusion Every believer is called to command the morning possess the day and confront the night because the spiritual realm does not sleep Command the Morning Day and Night is not a devotional It s a spiritual weapon It equips you with dangerous deliverance and judgmental prayers prophetic utterances and warfare decrees that dismantle satanic operations before they manifest in your day In this book you will discover How to issue decrees that establish your divine agenda each day Prayers that silence witchcraft activities targeting your night seasons Strategies for breaking demonic covenants and evil patterns before they gain ground How to shake the heavens with morning prayers night warfare and scriptural declarations Proven battle prayers that secure victories while others are still asleep Stop leaving your life to chance If you don t command your day the enemy will If you don t possess your night darkness will Click Buy Now and take back control with prayers that turn mornings into miracles and nights into deliverance FREE BONUS Get my four power packed book series when you purchase this book Including one of my best sellers Command the Morning Day and Night Link at the end of the book **Foundry**, 1909 **National Guard 101** Mary Corbett, 2011-11-21 The first time I attended a National Guard family event in 1999 I felt like I had been abducted by aliens recalls Mary Corbett author of National Guard 101 A Handbook for Spouses I didn t understand anything I had never been in an armory before I didn t know the difference between an officer and an enlisted soldier I didn t even know how to address the commander or his wife Corbett decided to wing it rationalizing that since her husband was just a Guardsman she wasn t a real military wife After all military spouses lived on bases operated within a strict structure of rank and dealt with long deployments Thank goodness she didn t have to

worry about those things Of course she could have never guessed and neither could anyone else that in less than two years four hijacked airliners would forever alter the purpose and public profile of National Guard soldiers and those who love them forever On September 11th 2001 Corbett became a military wife But as she realized later she had always been one Written in a lively and informal style National Guard 101 A Handbook for Spouses demystifies the Guard s unique hybrid civilian military lifestyle It is a must read book for every National Guard family member Corbett s book covers a broad range of topics from the history of the National Guard and understanding rank to Guard social life and Family Programs Corbett also details the benefits and assistance resources available to Guard families and guides readers through the process of setting up a Personal Assistance League PAL to provide support during both short and long term deployments Ten years after National Guard 101 s original publication National Guard spouses are still holding down the fort In fact in 2020 more National Guard troops were activated than any time since World War II due to the COVID 19 pandemic wildfires and civil unrest Year after year the National Guard evolves to meet different threat environments What doesn t change is the vital role that family members play in supporting soldiers
