**The Art of Forgiveness** George Arkhurst, 2018-07-24 Imagine a world where people live harmoniously with one another. A world where there is no hatred, malice, or bitterness. Where a thought of someone will not alter your mood for the worse but enhances it for the better. A world where people live as people in peace and tranquility not because there is no real violence. But because people's hearts are conditioned to live in peace. What a world that would be. Conditioning one's heart to live in peace will depend on one's ability to forgive. Forgiveness is the mechanism God had set to bring peace and reconciliation to a separated and wicked world. The trouble is how do we forgive when people can be so desperately wicked.

The Art of Forgiveness Nya Gathu,2025-04-29 My story about finding happiness and the gift of forgiveness In my story I focus on two significant encounters because they set me on the path toward seeking happiness and forgiveness However I discovered other encounters in my life that also required forgiveness As I share my story don t be misled into thinking my life is filled with hardship or pain On the contrary my life has been rich with enchanting beautiful and wonderful encounters far more than I can recount here Yet how we choose to react to one negative experience can overshadow the 99 9% of wonderful moments in our lives if we view everything through the lens of that single event When I finally broke free from that perspective I was able to fully experience all the beauty life had to offer 100% of it This freedom came from the choice to forgive commit to it and decide how to react to negative energy In the end I m grateful for those once painful experiences because they led me to forgiveness healing and thriving At the conclusion of my story I will share the process I used to achieve forgiveness Be prepared though true forgiveness isn t easy It s a long ongoing process and a lifelong practice It s not a one time event However after reading this book I hope you too can find the freedom I discovered by releasing all the negativity that was holding you back and embracing positive outcomes I let go of anger bitterness and resentment replacing them with joy happiness and peace My goal is to guide you on your own forgiveness journey to help you find the peace necessary for growth and thriving Forgiveness is for you and is a powerful tool for your success It allows you to reclaim power from those who hurt you transforming what happened to you into something that works for you and it all begins in your mind I believe you cannot heal without forgiving and you cannot grow without healing So forgive heal grow and thrive

you're currently reading That is the level of forgiveness about which this book talks Forgiveness can be that effortless It Started with Three Miracles on Wilshire Boulevard Rod Martin discovered this level of True Forgiveness quite by accident The clean break with resentment was so thorough it counts as a miracle And it was accompanied by two other miracles It started with rush hour traffic on Wilshire Boulevard in Los Angeles one late afternoon in 1977 Though two of the miracles were deeply personal and entirely invisible to the world outside one miracle shook the fabric of space and time parting traffic like Moses parting the Red Sea Within seconds two miles of empty center lane stood before him with two walls of snarling traffic standing on either side It took Rod Martin more than three decades to study and to understand what had happened When he began to write about that life changing day he suddenly realized how thoroughly he had forgiven those who had assaulted him For more than 30 years he had forgotten that they had become the first ones to move out of his way when the sea of cars opened up on the faith humility love and responsibility Martin had felt that day He had asked and it had been given to him in an instant This book details the discoveries Rod Martin made in studying those miraculous few minutes When done with this book you will know What True Forgiveness looks like How miracles are effortless How love is an essential ingredient of forgiveness How confidence and humility are vital partners and How responsibility remains an indispensable part of True Forgiveness The purpose of this book includes three goals To inspire To clarify and To guide First of all the Age of Miracles never ended Martin discovered what it takes to reach that spiritual state where the door to creation is opened Second most people have misconceptions about forgiveness and these make it difficult or impossible to heal Martin makes it clear what forgiveness is and what it is not Third Martin gives exercises which help prepare your mind and attitudes for forgiveness The inspiration clarity and guidance in this book remain both powerful and unique This book could very well change your life The Art of Forgiveness is more than a book of feel good sayings It drills down into the heart of what forgiveness is all about and plucks out the lotus of understanding that Buddha and Christ tried to teach us
