In between her suffering and pain, she had to witness her man fall in love with another woman. Five years later, she has returned with renewed strength, no longer the same woman he belittled years ago. With this newfound strength, she will tear apart those who pretend to be pure and step on the scums of this earth. However, just as she is about to have her revenge with the man who wronged her, he suddenly turns from a cold, unfeeling psychopath to a caring, warm, and loving man. In fact, he even kisses her feet in front of a crowd, all while promising her, Madeline, "I was wrong to love another. From now on, I will spend the rest of my life trying to make it up to you." To which Madeline replies, "I'll only forgive you if you die." *The Book of Practical Aromatherapy* William H.
