**Index to Legal Periodicals & Books**, 2006 *The Politics, Economics, and Culture of Mexican-US Migration* E. Ashbee, H. Clausen, C. Pedersen, 2007-12-25 Images and accounts of the Mexican US migration process and the border region abound Representations of border crossers plans for the construction of a security fence the shifting economic

relationship between the US and its southern neighbors and the changing character of the Rio Grande area have played a pivotal role in shaping contemporary political discourse. *The Politics, Economics, and Culture of Mexican US Migration*, which has attracted contributors from four different countries, offers multidisciplinary and interdisciplinary evaluations of these developments. It also considers the impact of migration in both the US and Mexico. Some of the contributions are case studies while others have a broad survey character. All place the current debate about migration and the changing nature of the north American continent within its wider context in a way that is of relevance and interest to both the specialist and the more general reader.

**Michigan Quarterly Review**, 2007 *Beauty is a Verb* Jennifer Bartlett, Sheila Fiona Black, Michael Northen, 2011. *Beauty is a Verb* is the first of its kind, a high quality anthology of poetry by American poets with physical disabilities. Poems and essays alike consider how poetry coupled with the experience of disability speaks to the poetics of each poet included. The collection explores first the precursors whose poems had a complex and sometimes absent relationship with disability such as Vassar Miller, Larry Eigner, and Josephine Miles. It continues with poets who have generated the Crip Poetics Movement such as Petra Kuppers, Kenny Fries, and Jim Ferris. Finally, the collection explores the work of poets who do not necessarily subscribe to the identity of crip poetics and have never before been published in this exact context. These poets include Bernadette Mayer, Rusty Morrison, Cynthia Hogue, and C. S. Giscombe. The book crosses poetry movements from narrative to language poetry and speaks to and about a number of disabilities including cerebral palsy, deafness, blindness, multiple sclerosis, and aphasia, among others. Provided by publisher *Willow Springs*, 2006.

**Crazy Horse**, 2006 *Monthly Weather Review*, 1911 **Juan Luna's Revolver** Luisa A. Igloria, 2009. The poems in *Juan Luna's Revolver* both address history and attempt to transcend it through their exploration of the complexity of diaspora. Attending to the legacy of colonial and postcolonial encounters, Luisa A. Igloria has crafted poems that create links of sympathetic human understanding even as they revisit difficult histories and pose necessary questions about place, power, displacement, nostalgia, beauty, and human resilience in conditions of alienation and duress. Igloria traces journeys made by Filipinos in the global diaspora that began since the encounter with European and American colonial power. Her poems allude to historical figures such as the Filipino painter Juan Luna and the novelist and national hero Jos Rizal, as well as the eleven hundred indigenous Filipinos brought to serve as live exhibits in the 1904 Missouri World's Fair. The image of the revolver fired by Juan Luna reverberates throughout the collection, raising to high relief how separation and exile have shaped concepts of identity, nationality, and possibility. Suffused with gorgeous imagery and nuanced emotion, Igloria's poetry achieves an intimacy fostered by gem-like phrases set within a politically charged context, speaking both to the personal and the collective. In *Juan Luna's Revolver*, Luisa Igloria establishes herself as a singular and revelatory voice in American poetry. Here she explores the dichotomy of Filipino: interwoven yet hermetically singular, acquisitive yet inventive, docile yet amok. Her engrossing poems hide behind their gorgeous scrim, a bristling wall of spears.
