Being A Man:

To Be a Man Charles Sledge, 2017-05-31 What does it mean to be a man And even if one gets the definition right something that very few do how does one go about becoming a man We live in a world where most males are divorced from their masculinity They have been told that their masculinity is at best old fashioned as if that was a bad thing and at worst evil and toxic Because of this we live in a time where males are more confused than ever On one hand they hear about the war on masculinity and on the other hear about how their masculinity which many have little or any of are responsible for all of the world's ills Becoming a man is something that has taken time guidance and effort in any age Including one without all of the delusions and poisons of our own In this book a path a guide to manhood is offered First off one must understand that not only is their manhood not evil but rather right natural and good but also that males will always feel lost and adrift without starting on this path They will for all time feel like a fish out of water It is only through starting on and going through this rigorous journey that they will feel well within their souls This doesn't mean that the path is easy of course far from it But it is healthy and it is what is needed in this day and age as all others before it and all that are to come In **To Be A Man A Guide To Manhood** you'll learn What this spirit of man is why it's so important and how to cultivate it in yourself The 3 P's of manhood and while they represent a foundation of what being a man is all about How a man is to handle women in his life How a man is to handle enemies in his life How a man is to handle accumulating resources in his life The inextricable connection between a man's freedom and his sense of manhood The 2 natural professions of man that every man must develop to feel fulfilled The relationship between pain challenge and growth and what this means for a man The one and true measure of a man that has held since time began and will until it ends How to get started on the path to manhood and what this means for every man on it And much more If you're ready to get started on your path to becoming the man you were destined to be then get your copy of **To Be A Man A Guide To Manhood** today
