The Holy Bible: Galatians, etc., to the end of the New Testament, 1825      **Expository Dictionary of Bible Words**  
Stephen D. Renn, 2005 A contemporary replacement for the classic Vine's Expository Dictionary this newly written reference book covers the key vocabulary of the Bible with an integrated coverage of the Old Testament and New Testament words. Students of the Bible will be able to uncover the meaning of the original biblical text whether or not they have a working knowledge of Hebrew or Greek. Each English word entry includes the Hebrew or Greek for that word and explains its nuances and variations in meaning. It is coded to Strong's numbering and is a valuable resource for students, pastors, or the layperson interested in word studies.

Applied Old Testament Commentary Tom Hale, Steve Thorson, 2012-12-10 The wisdom found in God's Word is timeless as relevant today as when it was first written. And the challenge for believers remains unchanged: how do we apply these truths to our everyday world? The Applied Commentary series is a fresh approach to Bible study connecting great wisdom with your life today. Each Scripture passage is enhanced with insights on key themes and ideas. Featured articles provide a deeper look at essential concepts while the contemporary language allows for easy reading. And because some subjects are open to interpretation for discussion, we've included perspectives from leading theologians from all backgrounds and denominations. The result: An interactive approach to Scripture that will challenge your ideas and build your faith, which is what reading the Bible is all about.
