Police: A Field Guide David Correia,Tyler Wall,2018-03-13 A radical guide to the language of policing This field guide arms activists and indeed anyone concerned about police abuse with critical insights that ultimately redefine the very idea of policing When we talk about police and police reform we speak the language of police legitimization through euphemism So state sexual assault becomes body cavity search and ruthless beatings non compliance deterrence In entries such as police dog stop and frisk and rough ride the authors expose the way copspeak suppresses the true meaning and history of law enforcement In field guide fashion they reveal a world hidden in plain view The book argues that a redefined language of policing might help us chart a future that s free Including explanations of newsmaking terms such as deadname kettling and qualified immunity and a foreword by leading justice advocate Craig Gilmore *The Amateur Photographer's Weekly* Juan C.
