Curious Relations Anthony Butts,1947 A Choice Collection of Curious Relations COLLECTION.,1739 **Curious Relations ... Edited by William Plomer. (Stories.)** William D'ARFEY (pseud.),William Plomer,1945 **Viet Nam** Ben Kiernan,2017-02-17 For many Westerners the name Vietnam evokes images of a bloody televised American war that generated a firestorm of protest and brought conflict into their living rooms In his sweeping account Ben Kiernan broadens this vision by narrating the rich history of the peoples who have inhabited the land now known as Viet Nam over the past three thousand years Despite the tragedies of the American Vietnamese conflict Viet Nam has always been much more than a war Its long history had been characterized by the frequent rise and fall of different political formations from ancient chiefdoms to imperial provinces from independent kingdoms to divided regions civil wars French colonies and modern republics In addition to dramatic political transformations the region has been shaped by its environment changing climate and the critical importance of water with rivers deltas and a long coastline facilitating agricultural patterns trade and communications Kiernan weaves together the many narrative strands of Viet Nam s multi ethnic populations including the Chams Khmers and Vietnamese and its multi religious heritage from local spirit cults to Buddhism Confucianism and Catholicism He emphasizes the peoples interactions over the millennia with foreigners particularly their neighbors in China and Southeast Asia in engagements ranging from military conflict to linguistic and cultural influences He sets the tumultuous modern period marked by French and Japanese occupation anticolonial nationalism the American Vietnamese war and communist victory against the continuities evident in the deeper history of the people s relationships with the lands where they have lived In contemporary times he explores this one party state s transformation into a global trading nation the country s tense diplomatic relationship with China and developing partnership with the United States in maintaining Southeast Asia s regional security and its uncertain prospects for democracy Written by a leading scholar of Southeast Asia Viet Nam presents an authoritative history of an ancient land **Curious Relations** William D'Arfey (pseud.),1945
