Community Organizing Mike Miller, 2012-04-01 This book provides a brief introduction to what is variously called faith based congregation based and institution based community organizing Grounded in a composite case study of an actual organizing effort it shows how local communities can be organized for power Key organizing concepts and strategies are illustrated with stories of real encounters with leaders communities and powerful opposition figures In the approach described here civic and religious institutions come together to give the community a collective voice Organizers help a community build a powerful organization rooted in core values of democracy and the social justice teachings of the world s great religious traditions Saul Alinsky developed the foundations of the tradition of organizing described here an approach

that remains dominant in the U S today Alinsky rooted power deeply in the lives relationships and institutions of marginalized and oppressed people In his early organizing days his organizations brought together a wide range of institutions religious congregations and labor unions as well as mutual aid self help athletic sororal and fraternal neighborhood and other voluntary associations By the late 1970s as non congregational neighborhood associations fell into decline organizers in the Alinsky tradition started looking more carefully at how to sustain the vibrancy of the religious institutions that remained Organizers sought to help congregation members become co creators rather than consumers of the life of their churches and worked to help members connect their faith more directly to action in the world In this way they helped make both faith and the action more meaningful This little book tells the story of one congregation that was a member of a broadly based community organization and how a community organizer assisted its development as a true community **Rural**

Community Organization ,1949 **Community Organizing and Development** Herbert J. Rubin,1992 The text provides a comprehensive introduction to the wide variety of approaches that guide social change social activism and community building work Community Organizing and Development links various theories of organizing to the techniques and tactics of practice It is vividly illustrated using real life practice examples Case Studies in Community Organization Walter William

Pettit,1928 Organizing for Community Controlled Development Patricia W. Murphy,James V. Cunningham,2003-01-23

This book is both important and timely Written by practitioners who are also academics the book combines solid research observation and practical experience that speak forcefully to the need for both local place based development and greater citizen involvement The examples they give of successful local efforts to renew neighborhoods demonstrate that change is possible and that resources are available for such purposes Patricia W Murphy and James V Cunningham have provided a roadmap for rebuilding many of our communities and for strengthening the foundations of our democracy The New
