D6 Space:

Trans-Dimensional Unified Field Theory George James Ducas,2011-06-06 The concept of a First Cause of all reality or God can be arrived at through science metaphysics and philosophy This book establishes unification by defining parameters of equivalency through mathematics with the conclusion that all reality is consciousness The keys to the universe and description of equivalency are defined God can be known though works in creation when the true nature of being is understood truth known and the universe becomes an analogy of truth All reality is consciousness established through patterns of hierarchy and symmetry proceeding from God Action is known by equivalency and love is received in Creation

From Sherds to Landscapes Mark Altaweel,Carrie Hritz,2021-05-20 This volume honors McGuire Gibson and his years of service to archaeology of Mesopotamia Yemen and neighboring regions Professor Gibson spent most of his career at the University of Chicago s Near Eastern Languages and Civilizations department and the Oriental Institute Many of his students colleagues and friends have contributed to this volume reflecting Gibson s diverse interests The volume presents new results in areas such as landscape archaeology urbanism the ancient languages of Mesopotamia history of Mesopotamia the archaeology of Iran and Yemen prehistory material culture and wider archaeological topics Dragons in the Stacks Steven A. Torres-Roman,Cason E. Snow,2014-10-17 A one stop complete guide to tabletop role playing games for novice librarians as well as seasoned players Tabletop role playing games RPGs are a perfect fit for library teen services They not only hold great appeal for teen patrons but also help build important skills ranging from math and literacy to leadership and dramatics Role playing games are cost effective too Dragons in the Stacks explains why RPGs are so effective at holding teenagers attention identifies their specific benefits outlines how to select and maintain a RPG collection and demonstrates how they can enhance teen services and be used in teen programs Detailed reviews of role playing games are included as well with pointers on their strengths weaknesses and library applications Coauthored by an experienced young adult librarian and an adult services librarian this is the definitive guide to RPGs in the library and the only one currently available
