

Who Were the Celts?

The Iron Age Celts lived in Britain from 700BC until 400AD

They came from all over Europe, from Austria and Switzerland to Southern France and Spain.

The word Celt comes from the Greek word Keltos although its definition is unclear.

100 BC means the Celts were in Britain 700 years before Jesus was born.

Introduction to the Celts

Warriors

The Celts were fierce warriors. They did not wear armour and instead often fought naked, and painted their bodies with blue patterns to frighten their enemies. This paint was called woad.

They had large shields covered in animal hides, and held long spears made from iron, which they swung around their heads. They also fought with axes and daggers.
