*ChristWise Discipleship Guide for Teens* Tony Fitzgerald,2002 **becoming A Real Young Man - Young Men's Discipleship Guide with Havruta System - Micro Cell** Eddy Leo,2025-04-22 Many young men have experienced the new birth experience but do not grow as disciples of Christ and walk in the process of becoming like Christ Why The reason is because many young men do not understand the concept of discipleship and how to practically follow the process of becoming like Christ Therefore I tried to compile a discipleship material based on the book *Becoming a Real Man* and the material *Becoming a True Father* to equip young men in the discipleship process so that they can grow to achieve the likeness of Christ This book consists of 2 parts that are interrelated and complement each other The first part contains the concept of discipleship for young men which is taken according to the principles of discipleship taught by Jesus The second part is journal material for reflection with 12 topics based on the concept of discipleship in the first part This material is very useful for young men who want to grow up in the discipleship process to achieve the perfection of a man *Rose Guide to Discipleship* Len Woods,2016-01-01 You already know that discipleship is important So the question is not should you disciple it is how to disciple How can you help others become more Christ like What topics do you need to cover to make sure they mature in their spiritual journey How do you effectively develop spiritual growth Enjoy having this easy to understand guide includes 30 ready to use lessons on 30 discipleship topics Becoming more like Jesus salvation forgiveness prayer trusting God how to study the Bible and other spiritual growth topics Whether you re a new Christian or a seasoned believer this guide includes overviews of key topics to dive into for a lifetime Each Discipleship Topic Includes Core truth or theme sentenceA memory verseA basic Bible study of the key passages with questionsA handout on the topic to fill out and take homeGraphics Charts diagrams infographicsQuestions to draw out the key principlesLife applications Featuring simple summaries charts and illustrations this reproducible guide is perfect for the leader who wants ready to use lessons for discipling new believers Every leader knows it isn t enough to lead a person to Christ and stop there Any leader can pick and choose topics or do all 30 lessons And you can do them in any order Each topic takes about 1 hour so they are perfect for busy people Perfect for personal or group use *Learning to Follow Jesus* Daniel McNaughton,Jon Wegner,2020-07-01 LEARNING TO FOLLOW

JESUS will help you develop seven essential attributes of a disciple of Jesus Christ You will learn how to become a fully devoted follower of Jesus by reading the Scripture passages answering the questions applying the attributes to your life and sharing your journey with a spiritual coach Discipleship Bible John A. Stewart, This topical Bible Study addresses the doctrine of New Testament discipleship as Jesus said Go and make disciples This study is ideal for personal small group and congregational use *Gospel Discipleship Congregation Guide* Michelle J. Morris,2020-03-31 Each congregation has a unique mission field Several tools for developing disciples and for engaging in discipleship are available to churches however the resources assume that the churches using them are similar to the church that created them With Gospel Discipleship individuals and churches learn how to engage in self reflection which then defines a path that fits their context The discipleship path for each individual disciple is assessed and determined through the Gospel Discipleship Participant Guide while this Gospel Discipleship Congregation Guide guides the implementation of the program and assesses the discipleship path for the congregation as a whole Therefore the program leader s needs the congregation guide while individual participants need their own participant guide With Gospel Discipleship churches can identify a pathway for discipleship applied from one of the four Gospel storytellers Matthew Mark Luke and John Each had a distinct approach to discipleship which can be applied to a given church s identity vision and mission As disciples are encouraged by the church to step beyond the door and engage the needs of people they can be sent forth confidently with an awareness of personal unique gifts and insights into the actual mission field where they participate with God in changing the world **Gospel Discipleship Participant Guide** Michelle J. Morris,2020-03-31 There was a time when discipleship was taken for granted It was assumed that people could be persuaded to believe and that each person would step into the path that took them to Jesus That assumption is no longer valid As early as the Gospels Jesus and his biographers recognize that each person brings experience to the journey which travels through different times and places The discipleship path for each individual disciple is assessed and determined through this Gospel Discipleship Participant Guide while the Gospel Discipleship Congregation Guide serves as the implementation guide for church leaders It also assesses the discipleship path for the congregation as a whole By understanding what type of disciple you are participants in Gospel Discipleship can clarify the path they need to walk Some people love to go on mission trips some people really thrive learning from a great teacher some people connect to God through painting and music and some people just want to have a cup of coffee and talk about life and eventually get around to talking about Jesus Participants in Gospel Discipleship can be set free from the guilt of not feeling like a real disciple because they don t feel called to experience the journey the same way as everyone else Instead participants can become the disciple Jesus wants them to be They can spend their valuable time and energy living and walking on the path where Jesus is calling them to follow *Marc's of a Disciple* Robby Gallaty,2016-07-26 How can I know if my disciple making efforts are effective How can I know if people growing spiritually Have you ever asked these questions If so you are not alone

Many disciple makers regularly struggle with these issues While attendance and baptisms are easily counted measuring the spiritual maturity of our people is not quite so simple To make matters worse an unfortunate reality of our day is that pastors are graded on how big their churches are and not how mature their people have become Sadly the American church has adopted business metrics to grow churches rather than biblical methods for growing disciples In MARCS of a Disciple Pastor Robby Gallaty provides a biblical guide for gauging spiritual growth Mature disciples are Missional Accountable Reproducible Communal and Scriptural Use this book as a measuring stick to determine the health and effectiveness of disciple making in your church and personal life Jesus didn't leave the maturity of his disciples to chance neither should we

Christian Education and Discipleship Department,2021 What does it mean to disciple well Discipleship is not one moment that takes place during a salvation experience Instead it's an ongoing process in by which your ministry shows believers how to live the lifelong commitment to share Jesus with the people all around them This guide is designed to help the everyday leader successfully disciple believers in their church through three areas 1 systematic study 2 effective teaching 3 excellence in leadership Embark on a journey where you can enrich your faith equip your ministry and most of all learn to disciple well DFD Leader's Guide Navigators (Religious organization),2006-06 The leader's guide to the seven books in the DFD series **Mere Discipleship** Lee C. discipleship you can be overrun with options Some formats are DVD driven some are book driven others are conversation driven But the real basis of teaching people to know and follow God is God s Word Therefore this resource is Text Driven Discipleship The guide is designed to help a disciple maker lead their disciple to discuss and understand God s Word and to help the disciple begin to study God s Word for themselves 3 God s People Are Important When Christians look at the church they should see a group of people committed to making disciples Making disciples is the Commission of every Christian and the marching orders of the Church Matt 28 18 20 Thus this resource was written in order to help Christians do what they were called to do This guide is to help God s people teach the Bible to others
