Brothers Price:

A Brother's Price Wen Spencer, 2005-07-05 In a world where male children are rare a man is a valuable commodity to be sold to the highest bidder It isn't easy being the oldest boy in a house run by women especially for Jerin Whistler The grand patriarchs of his clan are descended from soldiers spies and thieves That's partly what's kept their family alive in the wilderness But it also means Jerin's doomed to marry the girls next door a fate he's convinced is worse than death But Jerin gets in even worse trouble when in the process of a daring rescue he falls in love with a royal princess who's as high above his station as it's possible to be Ren knows that Jerin is too far below her class to be an appropriate match for her and her royal sisters But then she hears rumors of a long held Whistler family secret one that might provide a way for them to finally be together Unfortunately she still has four sisters to convince And that's before Jerin even comes to the capital where simmering political tensions will threaten not just their love but all their lives Don't plan on getting anything else done if you start a Wen Spencer novel they are exceedingly hard to put down Nebula Award Winning Author Catherine Asaro
