Bruce Lee Eve Darin Waugh, **The Whitewash** Siang Lu,2022-08-02 It sounded like a good idea at the time A Hollywood spy thriller starring for the first time in history an Asian male lead With an estimated 350 million production budget and up and coming Hong Kong actor JK Jr who let s be honest is not the sharpest tool in the shed but probably the hottest Brood Empire was basically a sure thing Until it wasn t So how did it all fall apart There were smart guys involved So smart so woke So woke it hurts There was top notch talent across the board and the financial backing of a heavyweight Chinese studio And yet Brood Empire is remembered now not as a historical landmark of Asian representation that smashed the bamboo ceiling in Hollywood but rather as a fiasco of seismic proportions The Whitewash is the definitive oral history of the whole sordid mess Unofficial Unmasked for Only intermittently fact checked and featuring a fool s gallery of actors producers directors film historians and scummy click bait journalists to answer the question of how it all went so horribly horribly wrong
