*The Creation of Doctor B* Richard Pollak, 1998-04-06 Demythologizing biography of world famous Vienna born psychoanalyst bestselling author and authority on troubled children *The Children of the Dream* Bruno Bettelheim, 1969 Childhood education and psychology *Empty Fortress* Bruno Bettelheim, 1967 Focusing on three case histories the author attempts to reveal the problems and struggles of the autistic child *The Informed Heart* Bruno Bettelheim, 1967 **Love is Not Enough** Bruno Bettelheim, 1968 **Surviving the Holocaust** Bruno Bettelheim, 1986 A collection of essays and articles reprinted from various journals dealing with psychological mechanisms leading to genocide and the adaptation and reactions of the victims Views the Holocaust as a phenomenon of totalitarianism rather than of antisemitism See especially Eichmann The System the Victims 131 149 and The Holocaust One Generation Later Appeared in his book *Surviving and Other Essays* New York Alfred A Knopf 1979 192 213 *Rising to the Light* Theron Raines, 2002 In 1983 after years of trying to persuade Bruno Bettelheim to write his autobiography Theron Raines his friend and literary agent himself undertook to tell the life of the renowned but often controversial child psychologist With no thought of writing a conventional biography Raines began a series of interviews in which Bettelheim reflected at length upon the major moments triumphs crises and tragedies of his extraordinary life *Rising to the Light* is the fascinating synthesis of these encounters and of Raines s interviews with counselors teachers and former students from the world famous Orthogenic School Here is Bettelheim s sudden passage from a life of wealth and luxury in Vienna to the appalling brutality of Dachau and Buchenwald where his intellect helped him survive the horrific conditions that often broke down a prisoner s personality His understanding of the parallels between the extreme situation of a concentration camp prisoner and the inner world of a disturbed child would shape him as a therapist Here is his voyage from the Old World to the New and his professional ascent in Chicago where he developed a total therapeutic milieu for children unable to survive emotionally at home or in any other school Though he had no specialized training he was uniquely qualified by his uncanny insights into children and his deep Freudian and post Freudian convictions about human nature and behavior Based on his success as a clinician and teacher he would go on to become a best selling author But toward the end of a long life Bettelheim would succumb to a stroke and to a devastating depression intensified by his feelings of uselessness when he was no longer able to do the work that had been his daily salvation for so many decades Raines who visited him twice in his last weeks also gives us the days just before the puzzling suicide of this man who had endured and built so much Despite his demonstrably tireless commitment to children Bettelheim s reputation was blemished after his death by attacks on his writings and his unorthodox clinical methods in particular his use of physical discipline in the psychotherapeutic setting Raines s conversations with Bettelheim have much to tell us about this bitterly disputed aspect of his legacy and they reveal a complex man who had to explore the boundary between compassion and brutality *Rising to the Light* is a portrait of a great teacher it gives us a more direct line of sight into the

the preeminent child psychologist of our time gives us the results of his lifelong effort to determine what is most crucial in successful child rearing His purpose is not to give parents preset rules for raising their children but rather to show them how to develop their own insights so that they will understand their own and their children s behavior in different situations and how to cope with it Above all he warns parents must not indulge their impulse to try to create the child they would like to have but should instead help each child fully develop into the person he or she would like to be
