Why Should Jews Survive? Michael Goldberg, 1996-10-10 As the current master story of Judaism the Holocaust has been used to depict Jews as being uniquely victimized In the fifty years since the Jewish people have had two overriding concerns survival of the Jewish people and keeping alive the tragedy of the Holocaust In *Why Should Jews Survive* Rabbi Michael Goldberg launches a bold attack on what he calls the Holocaust cult The generation that founded Israel is dying and the new generation seems adrift Goldberg contends that UJA death camp pilgrimages and shrines like the U S Holocaust Museum are deeply destructive of Jewish identity This Holocaust centered survival for survival s sake Judaism is already showing its emptiness and Goldberg insists that Jews now need positive reasons for remaining Jewish They need to return to the Exodus as their master story the story that gave the Jews a unique place in God s plan and one that provides for their survival because they are clearly the linchpin in God s redemption of the world This provocative book powerfully argues a challenge to the dominant theme of modern Jewish thought and Rabbi Michael Goldberg simultaneously offers practical and serious hope to sustain the next generation
