

The book cover features a detailed illustration of a rural landscape. In the foreground, there are dense, dark green bushes and a path leading into the distance. The middle ground shows rolling green hills with stone walls, a small white building, and a stream. The background consists of distant, hazy hills under a blue sky with light clouds. A large, light pink oval is centered on the cover, containing the title and author information. The entire cover is framed by a decorative border of green leaves and vines.

Agincourt Juliet Barker,2008-12-02 The renowned historian brings an excellent synergy of academic and literary skills to this study of the medieval battle that defined the British empire Publishers Weekly starred review In 1415 King Henry V of England led a severely outnumbered army to victory against the French in what became a defining moment in the Hundred Years War It is the classic underdog story in the history of warfare and generations have wondered how the English could

have succeeded so bravely and brilliantly Drawing upon a wide range of sources eminent scholar Juliet Barker casts aside the legend and shows us that the truth behind Agincourt is just as fascinating and far more significant She presents a gripping narrative of the October 1415 clash between outnumbered English archers and heavily armored French knights But she also takes us beyond the battlefield to explore an entire medieval world in flux Populated with chivalrous heroes dastardly spies and a ferocious and bold king Agincourt is as earthshaking as its subject and confirms Juliet Barker s status as both a historian and a storyteller of the first rank *The Yearbook of the Universities of the Empire* ,1922 *Yearbook* ,1929
