*Brooding Angel* Marie Ferrarella, 1995 *Brooding Angel* by Marie Ferrarella released on Apr 24 1995 is available now for purchase *City of God, City of Satan* Robert C. Linthicum, 2011-03-01 Why is the city a battleground of hostile principalities and powers What is the mission of the church in the city How can the church be supported in accomplishing that mission These are the questions that Robert Linthicum treats in his comprehensive and probing biblical theology of the city In the Bible the city is depicted both as a dwelling place of God and his people and as a center of power for Satan and his minions The city is one primary stage on which the drama of salvation is played out And that is no less the case at the end of this pivotal century as megacities become the focal point of most human activity and aspirations around the world This is a timely theology of the city that weaves the theological images of the Bible and the social realities of the contemporary world into a revealing tapestry of truths about the urban experience Its purpose is to define clearly the mission of the church in the midst of the urban realities and to support well the work of the church in the urban world *An Unimaginable Partnership* Lawrence L. Langer, 2022-10-27 In 1995 as Samuel Bak was working on a suite of twenty large paintings eventually entitled *Landscape of Jewish Experience* Pucker Gallery reached out to scholar Lawrence L Langer who had recently edited *Art from the Ashes A Holocaust Anthology* to contribute to the monograph His willingness to undertake this effort would open a vast experience for both Langer and Bak For nearly thirty years they have participated in a creative dance of images and ideas that has expanded both of their visions Langer has written with great insight and precision about each new body of Bak's art Bak has in turn been energized by his exchanges with Langer Together they have given each of us an opportunity to address the fundamental questions of moral choice and our responsibility to unite and not divide and to address the past and behave in a more humane and respectful manner toward one another in the present and future *An Unimaginable Partnership* gathers these words and images in an impressive and extensive volume **Women of Science Fiction and Fantasy Television** Karen A. Romanko, 2019-10-25 Samantha Stephens in *Bewitched* Lieutenant Uhura on *Star Trek* Wonder Woman Xena Warrior Princess Buffy the Vampire Slayer and many more Television's women of science fiction and fantasy are iconic and unforgettable yet there hasn't been a reference book devoted to them until now Covering 400 female characters from 200 series since the 1950s this encyclopedic work celebrates the essential contributions of women to science fiction and fantasy TV with characters who run the gamut from superheroes extraterrestrials and time travelers to witches vampires and mere mortals who deal with the fantastic in their daily lives *Emotion, Imagination, and the Limits of Reason* Talia Morag, 2016-06-17 The emotions pose many philosophical questions We don't choose them they come over us spontaneously Sometimes emotions seem to get it wrong we experience wrongdoing but do not feel anger feel fear but recognise there is no danger Yet often we expect emotions to be reasonable intelligible and appropriate responses to certain situations How do we explain these apparent contradictions *Emotion Imagination and the Limits of Reason* presents a bold new picture of the

emotions that challenges prevailing philosophical orthodoxy Talia Morag argues that too much emphasis has been placed on the reasonableness of emotions and far too little on two neglected areas the imagination and the unconscious She uses these to propose a new philosophical and psychoanalytic conception of the emotions that challenges the perceived rationality of emotions views the emotions as fundamental to determining one's self image and bases therapy on the ability to listen to one's emotional episode as it occurs Emotion Imagination and the Limits of Reason is one of the first books to connect philosophical research on the emotions to psychoanalysis It will be essential reading for those studying ethics the emotions moral psychology and philosophy of psychology as well as those interested in psychoanalysis **The Publishers Weekly**, 1922 **Annual Report** American Scenic and Historic Preservation Society, 1923 **The Shipowner's Daughter.
