Someone Else's Stars Ryan Rose Lee,2017-03-30 If there was anything they knew how to do it was to die New York City 1956 Never has a theater felt bigger The stars have never been more important than when Nick Mauro was a senior in high school Between gang fights relationships and a future that seems to be looming over him like a black cloud Nick is lost It s hard enough being gay in a catholic family but to have enemies around every bend and in every alley Life s a time bomb Nick has his brother and his friends and he has the theater to help him through life But does he really What would happen if he lost it all Everyone constantly spills the contents of their veins taking the blood that flows through them for granted There s trouble brewing deep in the heart of the city and someone may end up taking it too far They never truly realize their own mortality until it s ripped from them All it takes is a single bullet to make everything crumble All it takes is one night to leave everyone thinking What happens if we die when they should really be asking What happens if we live **Brooklyn -- where Else?** Harry Bud Bedell,1981 *The Whispering Roots* Cecil Day Lewis,1970 *Printers' Ink; the ... Magazine of Advertising, Management and Sales* ,1912 **Someone Else's Daughter** Jennifer Harvey,2020-06-18 Someone Else s Daughter A gripping emotional page turner with a twist We should have protected her They d left their daughter with us their only child and we hadn t protected her That was all they would see when they looked at us that we had failed them I count down the days until we can leave the city behind and return to the beach house Where James and Katie can roam free over the dunes like they did as children and Peter will swap his 6 a m starts for the stacks of fluffy pancakes he lovingly serves up for our family breakfasts These sun drenched golden days just the four of us are what I hold on to all year long But this summer Katie s best friend will be coming with us I tell myself the girls will have fun together pushing aside the doubts I have about this uninvited guest Isa With her corn silk hair and luminous skin who manages to overshadow my daughter at every turn Who has been dumped on us by her own parents too caught up in their petty dramas to see what is right in front of them Because I can see it There is something dangerous about Isa Something more than a carefree girl testing boundaries as she approaches adulthood She threatens to cast storm clouds across my beach house days I feel as powerless to stop her as I would in the face of a hurricane By the end of the summer Isa will be dead And I will have to face her mother I don t know if I will be able to find the words How can I begin to explain that she never really knew her daughter at all A gripping story of the darkness than lurks beneath the surface of the most picture perfect lives and the lengths we will go to protect the ones we love Fans of Big Little Lies Kerry Fisher and Diane Chamberlain will be held totally in thrall by this emotional twisty read **Amazing Benefits in Traveling on Someone Else's Dime** Thomas A. Butts Jr.,2010-11-10 This autobiography talks about the author s life starting with his early childhood and into his adult life He tells how he became a licensed pilot at the young age of sixteen and flew several different aircraft at that age Furthermore this book speaks about how the author survived a major fire aboard an aircraft carrier and how he has survived prostate cancer for sixteen years The author has

traveled to 13 countries and he gives a quick glimpse of travel to foreign and exotic places Moreover he gives a little history about each country visited and include several pictures that may encourage the reader to visit some of the places mentioned Approximately ninety five percent of the author s travel was on Someone Else s Dime namely the Department of the Navy
