Bubble Gum:

Connie and Her Bubble Gum Adventure Edward Byers,2010-03 One day Connie blew a bubble that just was too big Guess what happened to Connie *Pop!* Meghan McCarthy,2010-05-04 Gum has been around for centuries The ancient Greeks chewed sap from mastic trees The American Indians chewed spruce resin Men in top hats and women in puffy dresses chewed gum to cure things like stomachaches Gum wasn't that exciting But what if gum chewers could blow bubbles while chewing it In the late 1920s a factory in Philadelphia was working on a top secret project Month after month the workers experimented with different ingredients and formulas And month after month all they had to show for their hard work was a big sticky mess Would there be no bubble gum Sometimes the best inventions come from the most unexpected places Full of fun historical facts *Pop* is the true story of how bubble gum was invented BLACK BUBBLEGUM William A. Gonzalez,2013-08-20 *Black Bubble Gum* is written primarily for people who live in inner city communities The purpose behind writing a book with this kind of context is simply to inspire people in ghettos across the world and to show that written art can be created out of any life circumstance William A Gonzalez writes pieces like *Black Bubble Gum* which paints a bloody scene from the view of a piece of bubble gum stuck onto a public sidewalk This book includes authentic poetry biographies that replace generations of generic stanzas with soul driven pieces for people who have lost their lives to public street violence It also includes inspirational poems for youth and unity pieces for future humanity The splattering of ink on this book finishes with a section filled with a variety of quotes *Black Bubble Gum* penetrates souls with a new flavor of written literature Bubble Gum on My Shoe Cathleen A.
