POLITICS  
AND ETHICS  
OF OUTING

# Contested Closets

**JR Anderson**

## **Contested Closets:**

**Contested Closets** Larry P. Gross, 1993 Despite the notoriety that followed the recent exposure of Malcolm Forbes and Pentagon spokesperson Pete Williams the issue of outing originally arose at the dawn of modern gay consciousness in the late 19th century In *Contested Closets* Larry Gross historicizes describes and analyzes the concept and practice of outing placing it within the framework of the lesbian and gay movement over the past century as well as showing how outing illuminates many ethical and conceptual issues at the heart of contemporary identity politics and journalistic practices *Contested Closets* reveals how the advent of outing represents a sea change both in the consciousness of the lesbian and gay movement and in its relationships with mainstream and political institutions The book includes an extensive collection of important press articles that provide original and hard to locate source material on this controversial topic *Contested Closets* is about secrets and the telling of secrets about lies and the telling of lies It is about the codes that bind some people to keep others secrets and the conventions that require some people to tell lies about others And it is about the breaking of these codes and the violation of these conventions It is about the deliberate revelation by lesbian and gay people of the hidden homosexuality of prominent people It is also about the conflicting loyalties of journalists mainstream and alternative straight and gay caught between the obligation to tell the truth as they know it even if not the whole truth and the rules of the game that protect the sexual secrets of celebrities and public officials It is about the shifting boundaries between the public and private realms and the dangers of building a political strategy on the narrow platform of the right to privacy It is a book about outing Gross is the editor of *Studying Visual Communication* co editor of *Image Ethics* associate editor of *The International Encyclopedia of Communication* and co editor of the *Between Men Between Women Lesbian and Gay Studies* book series He is also co chair of the Task Force on Lesbian and Gay Concerns of the International Communication Association

**Sexual Deceit** Kelby Harrison, 2013-03-14 *Sexual Deceit* is an extended ethical analysis of the phenomenon of sexual identity passing i e socially presenting as X when one understands oneself as Y where the variables represent any contemporary sexual identity alongside identity passing in the contexts of race gender and briefly religion and class The analysis of passing utilizes and challenges traditional moral understandings of identity falsification complicating our understandings of moral obligations under systemic oppression Tracing the intervention of social construction theory on contemporary political understandings of LGBT communities and activism *Sexual Deceit* argues against social construction models of identity notably performativity promulgated by the work of Judith Butler and consumed and repeated by many scholars and theory educated queer people A new model of identity is constructed based on a phenomenological concept of style that provides for a socially adjustable yet rooted notion of sexual identity The ethical implications of sexual identity passing are considered in the context of eschatological images of social justice and within practical matters such as military service leadership and sexual harassment law

Covering Kenji Yoshino, 2011-11-02 A lyrical memoir that identifies the

pressure to conform as a hidden threat to our civil rights drawing on the author's life as a gay Asian American man and his career as an acclaimed legal scholar Kenji Yoshino offers his personal search for authenticity as an encouragement for everyone to think deeply about the ways in which all of us have covered our true selves We really do feel newly inspired The New York Times Book Review Everyone covers To cover is to downplay a disfavored trait so as to blend into the mainstream Because all of us possess stigmatized attributes we all encounter pressure to cover in our daily lives Racial minorities are pressed to act white by changing their names languages or cultural practices Women are told to play like men at work Gays are asked not to engage in public displays of same sex affection The devout are instructed to minimize expressions of faith and individuals with disabilities are urged to conceal the paraphernalia that permit them to function Given its pervasiveness we may experience this pressure to be a simple fact of social life Against conventional understanding Kenji Yoshino argues that the work of American civil rights law will not be complete until it attends to the harms of coerced conformity Though we have come to some consensus against penalizing people for differences based on race sex sexual orientation religion and disability we still routinely deny equal treatment to people who refuse to downplay differences along these lines At the same time Yoshino is responsive to the American exasperation with identity politics which often seems like an endless parade of groups asking for state and social solicitude He observes that the ubiquity of covering provides an opportunity to lift civil rights into a higher more universal register Since we all experience the covering demand we can all make common cause around a new civil rights paradigm based on our desire for authenticity a desire that brings us together rather than driving us apart Praise for Covering Yoshino argues convincingly in this book part luminous moving memoir part cogent level headed treatise that covering is going to become more and more a civil rights issue as the nation and the nation's courts struggle with an increasingly multiethnic America San Francisco Chronicle A remarkable debut Yoshino's sense of justice is pragmatic and infectious Time Out New York

**The Sharon Kowalski Case** Casey Charles,2003 A gripping story of love and law The Sharon Kowalski Case chronicles one of the true landmarks in the fight for the rights of same sex partners fully framed for the first time within its social political and historical contexts *Lesbians in Print* Margaret Gillon,1995 Queer Cultures Deborah Carlin,2004 The essays and personal narratives in this anthology present various sometimes opposing points of view across the disciplines of philosophy literature history art film television web and print media political science anthropology economics sociology and psychology

**The Canadian Journal of Law and Jurisprudence** ,1994 *Closet Hymns and Poems* James Edmeston,1846 *On the Issues* ,1994 Proceedings of The...annual Meeting of the Conference of State and Provincial Health Authorities of North America ,1913 **A Model Tenement House Law** Lawrence Veiller,1910

**Queer Performativity and Performance** I-chu Chang,2003 *Cardozo Studies in Law and Literature* ,1999

**Australasian gay & lesbian law journal** ,1997 *The Many Faces of Gay* Arthur David Kahn,1997-01-30 Recounts the coming out experiences of some 60 gay men and lesbians of varied racial ethnic religious and class backgrounds who are

active in many different gay lesbian organizations and movements      *Frontiers* ,1996 A journal of women studies

Changing the Powers That Be G. William Domhoff,2003-02-25 In this controvestional volume a leading writer on poltical power charts a new stratey for the American left Equality fairness and opportunity these themes which progressives now more then ever could utilize to win elections      Interdisciplinary Conference on the Impact of Technological Change on the Creation, Dissemination, and Protection of Intellectual Property ,2000      **Michigan Law Review** ,1997      *Public Culture* ,1993

Getting the books **Contested Closets** now is not type of challenging means. You could not by yourself going gone books amassing or library or borrowing from your links to admission them. This is an enormously easy means to specifically get lead by on-line. This online broadcast Contested Closets can be one of the options to accompany you as soon as having additional time.

It will not waste your time. say you will me, the e-book will enormously vent you supplementary business to read. Just invest little period to way in this on-line pronouncement **Contested Closets** as competently as evaluation them wherever you are now.
