Path of Pieces Russell Hunter, 2008-03 In this poem book you will see the pieces of my life I like to call it the puzzle I remember on that cold wintry day when I dazed at myself in the mirror I seen the cracks and the lines that all came together to create who I am and who I've become One by one I started to put the pieces back together by filling the gaps that have left me feeling lost I want for you and me for us all to see that it is never too late to believe No matter what we have endured we can overcome any obstacle and continue to smile in the face of adversity Although many pieces of my life are broken beyond repair I still care enough to write what I feel From all the devastations to all the beautiful creations you will find a life filled with dream catchers and twisted trees all these emotions that make up me Open the cover and you will see you can find you and you will find me

Group Spirituality Roger Grainger, 2004-03-01 Group spirituality is an increasingly popular area of focus and working in groups raises some very different and valuable consequences which wouldn't necessarily arise in a one to one encounter In Group Spirituality Roger Grainger an author already established as an authority on Drama therapy provides a functional guide to group spirituality and workshops Derived from the authors experiences of working with groups of people interested in exploring their own and other people's spirituality Group Spirituality turns an abstract idea into a practical and recognizable experience The nature of group work the embodiment of ideas and feelings and circumstances aiding personal encounter are discussed Workshop examples aimed at establishing group identity and the introduction of the idea of the safe place are explained The symbolism of spiritual awareness is approached and a firm distinction between spirituality and religion is made Group Spirituality's approach to spirituality from a workshop focus successfully attempts to embody spirituality and provide a framework for consciously examining and integrating spirituality within the rest of our life
