Deep Integration How Transatlantic Markets Are Leading Globalization:

Deep Integration Daniel Sheldon Hamilton, Joseph P. Quinlan, 2005 How Transatlantic markets are leading globalization
Book Description *Transatlantic Relations in the 21st Century* Erwan Lagadec, 2012-05-16 This book offers an overview of the interface between European integration transatlantic relations and the rise of the rest in the early 21st century The collapse of the Soviet bloc opened up an era in which the drivers and perceived benefits of the US alliance among European countries have become more variegated and shifting The proposition that the US remains at once an indispensable and intolerable nation in Europe is a key concept in the alliance as the US remains inextricably tied to the continent through economic military and cultural links This work examines this complex subject area from many angles including an analysis of the historical and cultural contexts of America's relations with Europe as well as a discussion of the politics of transatlantic affairs which utilises evidence gleaned from a series of case studies In the concluding chapters the author assesses the likelihood that the West can entrench its global dominance in the realms of soft and hard power and by effecting a controlled reform that will see multilateral structures open up to emerging powers This book will be of great interest to students of European Politics EU integration transatlantic relations US foreign policy diplomacy International Security and IR in general

Tourism in the New Europe Derek R. Hall, Melanie K. Smith, Barbara Marciszewska, 2006-01-01 This book examines the implications of EU enlargement for tourism in the region It provides a country by country examination of each of the new member states in terms of their current patterns and trends of tourism development and the impacts of EU accession on them Topics include historical trajectories of the European tourism development process new structural and geographical patterns of European tourism the politics of EU enlargement and implications for tourism policy regional national and local economic development trends social and cultural implications of transition and accession tourism education in the new Europe and the marketing and re branding of accession countries [The Transatlantic Economy 2009](#) Daniel Sheldon Hamilton, Joseph P.
