Babylonian Problems William Horsburgh Lane, 1923 *A Wonder to Behold* Anastasia Amrhein, Clare Fitzgerald, Elizabeth Knott, 2019-12-10 In the ancient Near East expert craftspeople were more than technicians they numbered among those special members of society who could access the divine While the artisans names are largely unknown today their legacy remains in the form of spectacular artworks and monuments One of the most celebrated works of antiquity Babylon s Ishtar Gate and its affiliated Processional Way featured a dazzling array of colorful beasts assembled from molded baked and glazed bricks Such an awe inspiring structure demanded the highest level of craft each animal was created from dozens of bricks that interlocked like a jigsaw Yet this display of technical and artistic skill also served a ritual purpose since the Gate provided a divinely protected entrance to the sacred inner city of Babylon *A Wonder to Behold* explores ancient Near Eastern ideas about the transformative power of materials and craftsmanship as they relate to the Ishtar Gate This beautifully illustrated catalogue accompanies an exhibition at New York University s Institute for the Study of the Ancient World Essays by archaeologists art historians curators conservators and text specialists examine a wide variety of artifacts from major American and European institutions Provided by publisher *The War of Megiddo* Nick Mulder, 2011-12-29 In the beginning Sammael went to the holy city of Ermon Hill to protest the actions of God to the Holy Council made up of the most powerful angels in Heaven Sammeal quickly builds an army of one third of the angels in Heaven

to rise up and fight against God The Archangels Michael and Gabriel led Heaven to victory and those who fought against God in the uprising were cast out of Heaven to Earth on the opposite side of the Veil of the Senses to await Judgement Day Now the final days of Earth are approaching as both Heaven and Hell prepare for one last battle God sends Auran to tell Jack Watts he is to lead the armies of Heaven against the forces of Sammael As the world is consumed by war Jack makes the decisions which will ultimately help shape the fate of humanity Everyone involved quickly finds out that the line between good and evil is not as clear cut as they were lead to believe
