*The Back Of Beyond* James Charles Roy, 2009-02-18 James Charles Roy a noted authority on Irish history and travel escorts a disparate group of Americans through the lonely backwaters of ancient Ireland Visions of a glorious enterprise evaporate as he sees a dejected and weary handful of aged American tourists disembark at Shannon Airport Fortified by Guinness Roy hurls himself into sharing with them the joys and wonders of Ireland s twisted byways Determined to avoid clich Roy leads his group to obscure Celtic coronation sites monasteries and remote abbeys as he spins a narrative that pulls Ireland s chaotic story into coherence His unsuspecting charges begin to shed their hesitations relishing their guide s idiosyncratic approach to Ireland Black comedy aside Roy touches an emotional chord how the economic phenomenon known as the Celtic Tiger has transformed Old Ireland into a high tech power At the tour s end Roy embarks alone for the inaccessible Ardoilean a seventh century Celtic hermitage in County Galway His vision of an Ireland lost forever is an emotional tour de force

*The Back Of Beyond* Claire Coleman, 2013-10-31 Kiwi a small flightless nocturnal bird which is native to and the national symbol of New Zealand We travelled around the United States and Canada for twelve months towing a camper touching on all forty eight contiguous states and eight Canadian Provinces As we tried to support the American economy the only way we knew how by sticking to the secondary roads stopping at all the small towns and buying beer at all the backwoods bars we were continually asked the same questions What are you We re Kiwis Where are you from New Zealand but we live in Australia What are you doing here We want to see every State learn all the history and experience what it is like to live as an American Why Because America gets such a bad rap around the world we want to find out for ourselves if it is justified and if you really are as good as you think you are
