Hargrove to images of brutal combat in Saving Private Ryan filmmakers have been tasked with replicating pivotal moments in the war But sometimes story lines and dramatic manipulations of audiences have led to less than faithful re creations of what men and women have endured during times of conflict In Real War vs Reel War Veterans Hollywood and World WarII Suzanne Broderick looks at how on screen portrayals hold up against wartime experiences of actual combatants soldiers sailors pilots code talkers and prisoners of war In addition two women real life Rosie the Riveters compare depictions of the homefront with their experiences during the war These members of the Greatest Generation share personal memories and offer commentary on the films that have sought to capture what it was really like Among the films discussed in this book are such classics as Battleground Twelve O Clock High The Best Years of Our Lives Since You Went Away The Sands of Iwo Jima and The Great Escape as well as more contemporary films such as Swing Shift and Windtalkers By providing a human look at the military the war effort and how such people and events were depicted on screen Real War vs Reel War makes a unique contribution to the conversation about Hollywood s role in shaping history This book will appeal to historians cultural critics and anyone interested in war cinema
