Feel the Rush of V8 Power in Your Favorite Muscle Car!

Put the pedal to the metal

as you race your favorite muscle car against the local champs through Mountains, Forests, Beaches, and Bayous. Each course is jammed with obstacles and surprises! So buckle up and keep your eyes on the road!

Choosing your car before the race is half the fun!

Before you jump into just any car, you'll need to know some information about the muscle car you pick.

Select your car and learn some cool facts before you head to the road.

You can choose from four all-time classic muscle cars.

- '67 Chevelle,
- '71 Hemi Cuda,
- '67 Malibu SS Pro,
- '70 Boss 302 Mustang.

Race Champs

Do you have the guts and the skills to race against the local champs?

Catfish Louie, The Beach Shark, Bluffe Jean the Piston Queen and grizzly-faced Lars think they're the best. Realistic video interaction with them (mostly insults of your driving ability) adds a new twist to racing simulation.

Packed with the Simulation Features You Want!

- ✓ 3D graphics, videos, animation and sounds let you take your muscle car to the limit. Be sure you're strapped in... because you're in for the ride of your life!
- ✓ Whiz past the realistic details of the surroundings, listen to the backroad sounds and raise your racing experience to a new level.
- ✓ Keep an eye on your gauges for speed, gas, and damage - you can pull into a service station if you need to.
- ✓ Beat the clock, but don't get busted by "Smokey!"
- ✓ Get an eye-in-the-sky instant replay of your crashes and collisions from the "Copter Cam."
