Assessing Reading:

Assessing Reading J. Charles Alderson, 2000-02-24 This book is the most comprehensive and up to date treatment of the assessment of reading in a foreign or second language

Assessing Reading, 2008 This book contains a collection of formal and informal reading assessments for use with students in Grades K-12 These assessments assist the teacher in targeting areas of strength and weakness in monitoring student reading development and in planning appropriate instruction Unlike large scale achievement tests the majority of these assessments can be administered individually Each assessment was selected because it measures an important research based reading skill and because it is quick reliable and easy to use Each assessment provides clear and accurate individual student information The assessments included in this book are informal assessments designed to measure specific skills critical to successful reading Some of the assessments are curriculum based while others are criteria based depending on the purpose of the assessment Similarly some assessments target specific skills some are instruments for broader screening and some can be used for both types of assessment Spanish assessments are provided for the early grades where many students may still be in bilingual programs or may be receiving Spanish primary language instruction before transitioning to English programs Profile Forms and Class Records found in the Appendix provide an easy way for teachers to summarize assessment results Appended are 1 core Reading Assessment Profile Forms 2 core Reading Assessment Class Records 3 Performance Criteria for Fluency and Fluency Scores a Discussion 4 Assessment Driven Instruction a Systems Approach and 5 Resources for Assessing Reading Contributing authors include Orna Lenchner Michael Milone and Jacalyn Mahler

Assessing Reading: Changing practice in classrooms Colin Harrison, Terry S. Salinger, 1998 This second book focuses directly on the classroom on the challenges individual teachers face in classroom based assessment and how these challenges have been and are being met in a range of international contexts
