**MotorBoating** ,1952-02      Voyaging With Kids Behan Gifford,Sara Dawn Johnson,Michael Robertson,2015-09-18 A treasure trove of useful well organized information on sea going parenting Gary Cap n Fatty Goodlander Author of Buy Outfit and Sail Choosing a boat that is right for your family handling the naysayers keeping your children safe healthy and entertained afloat this inspirational and comprehensive guide may be just what you need to turn your dream into a reality The three authors who have each voyaged thousands of miles with children on board provide a factual and balanced look at the realities of family life on the sea From their own experience and with information from interviews with dozens of other voyaging parents they discuss caring for an infant on board handling the changing needs of children as they grow education options ensuring parents find the private time to keep their relationships in tune and helping children make the eventual transition back to shore life Added to the authors voices are sidebars from other cruising parents with specialized information on subjects as diverse as handling special diets and how your children can keep in touch with friends around the world A unique bonus chapter written by a dozen former cruising kids looks at the long term effects of breaking away from shoreside normalcy A substantial appendix of resources provides valuable further information on the subjects covered in this book It is said that every parent inflicts their lifestyle choices on their children Read this book to find why heading out to sea with your children may be the most rewarding infliction of all      Flying Across America Daniel L. Rust,2012-11-20 Americans who now endure the inconveniences of crowded airports packed airplanes and missed connections might not realize that flying was once an elegant exhilarating adventure In this colorful history Daniel L Rust traces the evolution of commercial air travel from the first transcontinental expeditions of the 1920s through the luxurious airline environments of the 1960s to the more hectic fatiguing experiences of flying in the post 9 11 era In the beginning flying coast to coast was an exciting yet uncomfortable journey of nearly forty eight hours that required numerous stops and overnight travel by train With time and technical innovation passengers became increasingly removed both physically and psychologically from the raw experience of flying Faster planes pressurized cabins onboard amenities and stronger safety precautions made flying more convenient and predictable but also less evocative and sensational Prior to the 1980s Americans dressed for air travel in their formal best and enjoyed such luxurious onboard amenities as delicious meals and ample cabin space What made air travel glamorous however also made it more expensive With deregulation in 1978 cost reductions reduced flying to a more tedious and after 9 11 more regimented experience Rust s narrative brims with firsthand accounts from such celebrities as Will Rogers and from ordinary Americans Enlivened by more than 100 illustrations including vintage brochures posters and photographs Flying Across America reminds today s airline passengers of what they have gained and what they have lost in the transcontinental flying experience      Yachting ,1991-07      The Boston Medical and Surgical Journal ,1914      **Trips to Hell and Other Countries** George Burton Thayer,1924      **Lucian** Lucian (of Samosata.),M.
