

BACKGROUNDS TO DAVID JONES

a Study in Sources and Drafts

JONATHAN MILES

Backgrounds David Jones Study

RC Schank

Backgrounds David Jones Study:

Backgrounds to David Jones Jonathan Miles, 1990 This is the first book to make extensive use of David Jones's drafts of poems and essays his letters and his own annotations to the books in his library It takes into account all Jones's published poetry and offers a thematic treatment of his ideas and work This book considers the philosophical and intellectual backgrounds and the historical sources that lie behind David Jones's poetry By consulting the texts that Jones drew on either directly or indirectly in the creation of his poetry the author has attempted to prepare the ground for a sympathetic understanding of all Jones's work The present volume makes extensive use of the books which Jones possessed and annotated It also considers a large number of unpublished drafts and letters and includes a long passage from *In Parenthesis* that was eventually deleted by the poet The book discusses all Jones's published work and considers the major themes and preoccupations that absorbed him

Recharting the Thirties Patrick J. Quinn, 1996 The aim of *Recharting the Thirties* is to revitalize the awareness of the reading public with regard to eighteen writers whose books have been largely ignored by publishers and scholars since their major works first appeared in the thirties The selection is not based on a political agenda but encompasses a wide and divergent range of philosophies clearly the contrasts between Empson and Upward or between Powell and Slater indicated the wide ranging vision of the period Women writers of the period have largely been marginalized and the writings of Sackville West and Burdekin for example not only present distinct feminine voices of the period but also illuminate how much good literature has been forgotten

Modernism and Religion Jamie Callison, 2023-06-15 *Modernism and Religion* argues that modernism participated in broader processes of religious change in the twentieth century The new prominence accorded to immanence and immediacy in religious discourse is carried over into the modernist epiphany Modernism became mystical The emergence of Catholic theological modernism human rights Christian sociology and philosophical personalism which are explored here in relation to the work of David Jones T S Eliot and H D represented a strategic attempt on the part of diverse religious authorities to meet the challenge posed by new mysticism Orthodoxy was itself made new in ways that resisted the secular demand that religion remain a private undertaking *Modernism and Religion* presents the mechanical form and clashing registers of long poems by each of the aforementioned writers as an alternative to epiphanic modernism Their wavering orthodoxy brings matters from which the secular had previously separated religion back once more into its purview

Presenting Poetry Howard Erskine-Hill, Richard A. McCabe, 1995-06-08 The presentation of poetry to auditor and reader from the sixteenth to the twentieth centuries

Social and Behavioural Sciences for Nurses N. H. Groenman, O. D. A. Slevin, M. A. Buckenham, 1992 The series from which this book is taken is designed for the new direction in health care education resulting from the implementation of Project 2000 It brings together relevant material from the various subject areas and provides practical textbooks for health care students Each title in the series includes a variety of study activities to

encourage the user and facilitate learning and there are regular summaries and bibliographies for further study and self testing exercises The arrangement of each chapter is as follows introduction presentation of subject material case studies assignments self testing exercises summary and bibliography

Reading the Ruins Leo Mellor, 2011-09-15 From fires to ghosts and from flowers to surrealist apparitions the bombsites of London were both unsettling and inspiring terrains Yet throughout the years prior to the Second World War British culture was already filled with ruins and fragments They appeared as content with visions of tottering towers and scraps of paper and also as form in the shapes of broken poetics But from the outbreak of the Second World War what had been an aesthetic mode began to resemble a proleptic template During that conflict many modernist writers such as Graham Greene Louis MacNeice David Jones J F Hendry Elizabeth Bowen T S Eliot and Rose Macaulay engaged with devastated cityscapes and the altered lives of a nation at war To understand the potency of the bombsites both in the Second World War and after *Reading the Ruins* brings together poetry novels and short stories as well as film and visual art

A Bibliographical Guide to Twenty-four Modern Anglo-Welsh Writers John Harris, Edward John Davies, 1994 This is the most detailed guide in existence to a significant portion of the now extensive English language literature of Wales Two dozen major writers who are generally associated with the Anglo Welsh literary renaissance are covered here Some like Dylan Thomas are internationally known figures who have been the subject of bibliographies in these cases the treatment here is the most up to date and comprehensive yet published Others less well known outside Wales are given full bibliographical treatment for the first time The volume will therefore be indispensable to students and teachers of literature in English at all levels The bibliography lists publications by and about each chosen writer Primary sections record the writer's monographic output in all editions and translations as well as uncollected contributions to books periodicals and newspapers Secondary lists include critical and biographical studies of each writer independent monographs sections of books periodical essays and academic theses Two important sections preface the individual author bibliographies one covering anthologies of Anglo Welsh poetry and prose the other a range of general critical and background studies In all this bibliography with close on 6 000 selectively annotated entries provides an indispensable reference guide to a developing area of literary and cultural research

The Oxford Encyclopedia of British Literature David Scott Kastan, 2006 Volume 4 Modernism Percy Bysshe Shelley *Studies in the Eighteenth Century Background of Hume's Empiricism* Mary Shaw Kuypers, 1930

Getting It Off The Shelf Ernest R House, 2019-05-20 In 1976 the federal government spent over 10 billion on civilian research development and demonstration projects The vast majority of these dollars were spent for applied research research from which it is reasonable to expect a payoff in implementation commercialization or problem solving In all too many cases that payoff has not been for

British Writers Ian Scott-Kilvert, 2002 This collection of critical essays covers writers who have made significant contributions to British Irish and Commonwealth literature from the 14th century to the present day
