frequently at odds with his superiors he refuses to turn his back on those in need In spite of his years of experience nothing could have prepared him for the demonic forces tormenting the Stout family His bravery does not take away from the fact that he is in over his head A missing girl an unsolved murder and an angry detective all stand in the way of Pastor Anthony's efforts to free the Stouts from the most ancient of evils Fortunately his love for Christ and emotionally hurting people keeps him fighting for this helpless family The ancient spirits are deceptive as the determined exorcist seeks to expel them once and for all Many twists and turns will have you continuously second guessing your theories and theology The ending will not only shock you but it will also haunt your nightmares Even though the demon appears to have the upper hand the love of God shines through in this tale that will force you to solidify what you believe about the demonic When all is said and done those involved will never be the same Skeptics have become believers survivors have become wiser and unbreakable bonds have been formed Perhaps the most important result of this spiritual battle is the fact that a new team has formed A team that is ready to live in The Struggle
