**A Study on the Influence of Ancient Chinese Cultural Classics Abroad in the Twentieth Century** Xiping Zhang, 2022-03-28 This book presents an extensive literary survey of the influence of ancient Chinese cultural classics around the globe highlighting a mammoth research project involving over forty countries or regions and more than twenty languages As the book reveals ancient Chinese culture was introduced to East Asian countries or regions very early on furthermore after the late Ming Dynasty Chinese knowhow and ideas increasingly made inroads into the West In particular the translation of and research on Chinese classics around the world have enabled Chinese culture to take root and blossom on an unprecedented scale In addition to offering a valuable resource for readers interested in culture the social sciences and philosophy the book blazes new trails for the study of ancient Chinese culture

**Rhetoric of the Chinese Cultural Revolution** Xing Lu, 2020-08-05 A startling look at revolutionary rhetoric and its effects Now known to the Chinese as the ten years of chaos the Chinese Cultural Revolution 1966 76 brought death to thousands of Chinese and persecution to millions In *Rhetoric of the Chinese Cultural Revolution* Xing Lu identifies the rhetorical practices and persuasive effects of the polarizing political language and symbolic practices used by Communist Party leaders to legitimize their use of power and violence to dehumanize people identified as class enemies Lu provides close readings of the movement s primary texts political slogans official propaganda wall posters and

the lyrics of mass songs and model operas She also scrutinizes such ritualistic practices as the loyalty dance denunciation rallies political study sessions and criticism and self criticism meetings Lu enriches her rhetorical analyses of these texts with her own story and that of her family as well as with interviews conducted in China and the United States with individuals who experienced the Cultural Revolution during their teenage years In her new preface Lu expresses deep concern about recent nationalism xenophobia divisiveness and violence instigated by the rhetoric of hatred and fear in the United States and across the globe She hopes that by illuminating the way language shapes perception thought and behavior this book will serve as a reminder of past mistakes so that we may avoid repeating them in the future

**The Violin, Its Famous Makers and Their Imitators** George Hart,1885      **The Chinese Zheng Zither** Sun Zhuo,2016-12-05 The zheng zither is one of the most popular instruments in contemporary China It is commonly regarded as a solo instrument with a continuous tradition dating back to ancient times But in fact much of its contemporary solo repertory is derived from several different regional folk ensemble repertories of the mid twentieth century Since the setting up of China s modern conservatories the zheng has been transformed within these new contexts of professional music making Over the course of the twentieth century these regional folk repertories were brought into the performance traditions of modern regional zheng schools From this basis a large new zheng repertory was created by conservatory musicians combining aspects of Western classical music with folk music materials With the opening up of China s economy since the 1980s the zheng has been brought into the wider stage of international music making which includes contemporary art music compositions by overseas based Chinese composers and commercial world music works by Western composers Through a series of case studies this book explores how the transformation of the Chinese zheng has constantly responded to its changing social context critiquing the long standing arguments concerning authenticity in the development of tradition This work arises out of and reflects on the research methodologies known as performance as research As an insider to the tradition brought up within China s zheng society a trained and practising zheng performer this study is largely drawn from the author s own experiences of practising and performing the music in question her study also draws on fieldwork as well as primary and secondary written sources in Chinese and English This book is accompanied by downloadable resources which contain audio visual materials relating to the author s fieldwork and zheng performances by different zheng musicians
