Woods, 2017-12-02 Excerpt from Facts and Fancies of a Country Parish The church has a past that is worth recording a future that is worth planning for and a present that challenges our best efforts To aid in the accomplishment of these ends the following pages have been prepared but printing costs money and the securing of sufficient money to meet the current needs of the church is one of the big problems Our project as far as publishing Facts and Fancies is concerned would have fallen to the ground were it not for the generosity of the following individuals and business houses who have made the book a possibility And right here allow me to say that we appreciate their liberality and hope that the people who are interested in the Walnut Grove parish W111 take note of the business houses here represented and will give them a fair share of their patronage About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works    **Seventeenth Century Life in the Country Parish** Eleanor Trotter, 1919    **A Country Parish** Frank Samuel Child, 1911    *Ecclesiastical Review ...* Herman Joseph Heuser, 1929    **Facts and Fancies of a Country Parish** Willard E. indiscriminate plunder no ruthless slaughter of men and women Without trial while peace and order were steadily maintained in the country districts About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
