**A Country I Do Not Recognize** Robert H. Bork, 2013-09-01 During the past forty years activists have repeatedly used the court system to accomplish substantive policy results that could not otherwise be obtained through the ordinary political processes of government both in the United States and abroad In five insightful essays the contributors to this volume show how these legal decisions have undermined America s sovereignty and values They reveal how international law challenges American beliefs and interests and exposes U S citizens to legal and economic risks how the right to privacy poses a serious threat to constitutional self government how the Supreme Court s religion decisions have done serious damage to our religious freedom and more
