HC 432 - Follow-up to PHSO Report: Dying without dignity Great Britain. Parliament. House of Commons. Public Administration and Constitutional Affairs Committee, 2015 Failings in the care provided to people as they approach the end of their life can result in needless pain and suffering In *Dying without dignity* the Parliamentary and Health Service Ombudsman http://www.ombudsman.org.uk/_data/assets/pdf_file/0019/32167/Dying_without_dignity_report.pdf identified systemic issues affecting the quality and delivery of end of life care and used case studies to show how patients and those close to them had been affected by poor care We welcome the report which concluded that the NHS needed to improve in a number of areas and recommended that the report's findings be used to inform a new approach to end of life care Witnesses told us that they were aware of the issues raised in the report and that the focus must now be on implementing change We agree We want good quality timely and compassionate care to be available to all those who need it at the end of their life In this Report we outline the key areas in which we expect to see significant and fast paced improvements These are i culture behaviour and training ii the provision of integrated 24 7 palliative and End of Life Care EOLC services and iii leadership and commissioning

The Timeless Awareness Dr. Venkata Rao Potluru, 2026-02-16 *The Timeless Awareness* An Art of Thought Free Living by Dr P V Rao In a world overwhelmed by noise anxiety and division *The Timeless Awareness* offers a radical invitation to awaken into a dimension of being beyond thought beyond time beyond the self This is not a spiritual theory religious dogma or philosophical speculation it is a direct observation of life as it is and a passionate call for an inward revolution Drawing from deep personal inquiry and decades of experience as a surgeon and silent observer of life Dr P V Rao leads the reader into the heart of pure perception where fear dissolves love flowers and compassionate intelligence arises naturally Through simple clear and uncompromising language he reveals how the psychological self with its endless desires fears comparisons and divisions is at the root of human suffering The book explores

The illusion of the self and the burden of psychological time The nature of thought memory and conditioned consciousness The necessity of dying to the known moment by moment Choiceless awareness as the ground of true transformation Love not as emotion but as the fragrance of a silent empty mind Unlike most self help or spiritual books The Timeless Awareness offers no methods no techniques no authority It is a mirror reflecting the reader s own inner movement In observing with deep choiceless attention the possibility of a new mind a cosmic intelligence is born This book is not merely to be read but deeply listened to with stillness with openness For in that listening something sacred may awaken a way of living in wholeness without becoming without fear without the illusion of a separate self Let us walk together not as teacher and student not as philosopher and follower but as two human beings observing the movement of life without bias fear or conclusion In such observation may the flame of timeless awareness be kindled **Footprints in the Snow** Mike

Upton,2010-08-18 FOOTSTEPS IN THE SNOW explores the concept of whether Ghosts really do exist The four stories are all quite different but each deals with the apparent physical manifestation of a being from another place Ghosts Maybe Jeff is out walking his dog in the snow through some woods when he meets a young girl Who is she Why is she there Russell takes a career break from his job to write a book but he meets Alice and after a passionate affair their final meeting is bizarre Matt and Sarah have renovated an old cottage to create their dream home and all is well until one day out riding he meets a strange man by an old oak tree Greg enrolls at a Business Management College to attend a four week programme but he soon finds all is not as it seems in the old house So do ghosts exist and if so can you talk to them Can they talk to you Of course I don t know the answer and I doubt whether anyone does or ever will but I definitely wouldn t say that they don t exist So read and hopefully enjoy the four stories in this book and then perhaps it will help you to make up your own mind on this interesting question of whether ghosts really exist And if you get goosebumps or your hair stands on end as you come to the end of each of the tales well then maybe you might just believe that ghosts do exist After all you never know do you they might **DECEPTION IS DEADLY** Mike Upton,2025-03-17 DECEPTION IS DEADLY tells the story of two powerful but wholly different women Ellen brutally sexually assaulted by her father as a teenager runs away from her home town in Wales and makes her way to London where over the years she works her way up from being a humble waitress in a Turkish restaurant to eventually being owner and Chief Executive of a multinational conglomerate But convinced that her partner is conspiring to take her company away from her she embarks on a deadly course of action to stop him Zoya is a young Russian woman who joins the army and is selected for special training at a highly secretive camp where assassins are taught their deadly skills How these two woman s lives interact with each other and the resulting shocking outcome makes for a taught thrilling novel of love betrayal business wheeling and dealing deception and death **Church Quarterly Review** ,1914
