

An American flag is shown waving on a pole against a clear blue sky. The flag is positioned on the left side of the frame, with its stripes and stars clearly visible. The text of the poem is overlaid on the right side of the image.

O say can you see by the dawn's early light,

What so proudly we hailed at the twilight's last gleaming,

Whose broad stripes and bright stars through the perilous fight,

O'er the ramparts we watched, were so gallantly streaming?

And the rockets' red glare, the bombs bursting in air,

Gave proof through the night that our flag was still there;

O say does that star-spangled banner yet wave,

O'er the land of the free and the home of the brave?

The inspiring story behind the national anthem and the American flag comes alive in this page turning narrative with generous archival illustrations Kirkus starred review O say can you see begins one of the most recognizable songs in the US Originally a poem by Francis Scott Key the national anthem tells the story of the American flag rising high above a fort after a night of intense battle during the War of 1812 But there is much more to the story than what is sung at ball games What was this battle about Whose bombs were bursting and why were rockets glaring Who sewed those broad stripes and bright stars Why were free black soldiers fighting on both sides Who was Francis Scott Key anyway and how did he have such a close view An illustrated history for young readers Star Spangled tells the whole story from the perspectives of different key figures both American and British of this obscure but important battle The book includes an author s note a timeline a glossary endnotes a bibliography and an index A Kirkus Best Book of 2020 [Church Music Review and Official Bulletin of the American Guild of Organists](#) ,1906 [Rupturing Rhetoric](#) Byron B Craig,Patricia G.
