MAGIC ITEMS OF THE ARENA

BOOTS OF THE STORMSTRIDER

Wondrous item, uncommon

While wearing these boots, you can use your action to sprint forward in a flash, leaving behind a trail of electrical energy in your wake. When you do so, you can move up to 40 feet in a straight line. This movement does not provoke opportunity attacks, and you can move through a space occupied by a hostile creature when you move in this way.

Each creature in your path must make a DC 15 Dexterity saving throw, taking 3d6 lightning damage on a failed save, or half as much on a successful one. Once used, the boots can't be used again until the next dawn.

HANDGUN

Wondrous item, common (requires attunement)

This hand crossbow bears no mechanism for firing bolts. While wicking the crossbow, you can use your action, speaking the command word ("pew-pew"), to cast the *mage hand* cantrip. Once used, the crossbow can't be used again until you finish a short or long rest.

HOURLASS OF ETERNITY

Wondrous item, common

This seemingly mundane hourglass contains no sand or other powder until you speak its command word and tell it how much time to keep track of. The top of the hourglass then fills with the precise amount of sand necessary to measure the amount of time requested. Its contents disappear once again when its time is completed.

LEGGUARDS OF THE WOLFPACK

Wondrous item, rare (requires attunement)

While wearing these wolf's hide legguards, you can use your bonus action to stomp your legs into the ground, filling yourself with a primal, bestial insight into striking your foes.

Until the end of your turn, you have advantage on your attack rolls against a creature if at least one of your allies is within 5 feet of the creature and the ally isn't incapacitated. Once used, the legguards can't be used again until you finish a short or long rest.

PHANTASMAL FISTS

Wondrous item, rare (requires attunement)

While wearing these handwraps, you can use your action to conjure a massive, translucent hand over a hostile creature you can see within 60 feet. The hand curls into a fist and slams down at your target who must make a DC 15 Dexterity saving throw. On a failed save, a creature takes 6d6 bludgeoning damage and is knocked prone. On a successful save, the creature takes half as much damage and isn't knocked prone.

The handwraps can be used twice—once for each hand—and they regain all expended uses daily at dawn.

SPIRIT TOTEM NECKLACE

Wondrous item, very rare (requires attunement)

This necklace has a magical connection to nearby passed animal spirits. While wearing this necklace, when you finish a long rest, you can roll a d4 to determine which animal spirit manifests its totem (about the size of a gold piece) on the necklace for the day. Until the end of your next long rest, you have resistance to a type of damage as shown in the table below.

d4	Animal Spirit	Totem	Damage Resistance
1	Giant Constrictor Snake	Pair of snake fangs	Poison
2	Giant Elk	Pair of antlers	Bludgeoning
3	Polar Bear	Fur-covered claw	Cold
4	Saber-Toothed Tiger	Ivory tusk	Piercing

In addition, you can use your action to speak the necklace's command word. When you do so, choose a point you can see within 30 feet of you for the spirit to manifest in physical form (see the *Monster Manual* for the creature's statistics). Once used, this property of the necklace can't be used again until you finish a long rest.

The summoned creature is considered a fey, and it disappears when it drops to 0 hit points or after 10 minutes. The summoned creature is friendly to you and your companions. Roll initiative for the summoned creature, which has its own turns. It obeys any verbal commands that you issue to it (no action required by you). If you don't issue any commands to it, it defends itself from hostile creatures, but otherwise takes no actions.
