**John Cotton Dana**

## **American Children:**

**Early American Children's Clothing and Textiles** Carey Blackerby Hanson, 2024-01-31 *Early American Children's Clothing and Textiles: Clothing a Child 1600-1800* explores the life experiences of Indigenous, Anglo, European, African, and mixed-race children in colonial America, their connections to textile production, the process of textile production, the textiles created, and the clothing they wore. The book examines the communities and social structure of early America, the progression of the colonial textile industry, and the politics surrounding textile production beginning in the 1600s, with particular focus on the tasks children were given in the development of the American textile industry. The book discusses the concept of childhood in society during this time, together with documented stories of individual children. The discussion of early American childhood and textile production is followed by extant clothing samples for both boys and girls, ranging from upper-class children's wear to children's wear of those with more humble means. With over 180 illustrations, the book includes images of textile production tools, inventions, and practices; extant textile samples; period portraits of children; and handmade clothing items worn by children during this time period. *Early American Children's Clothing and Textiles: Clothing a Child 1600-1800* will be of interest to working costume designers and technicians looking for primary historical and visual information for early American productions; costume design historians; early American historians; students of costume design; and historical re-enactment costume designers, technicians, and hobbyists.

**Slavery in American Children's Literature, 1790-2010** Paula T. Connolly, 2013-07-01 Long seen by writers as a vital political force of the nation, children's literature has been an important means not only of mythologizing a certain racialized past but also because of its intended audience of promoting a specific racialized future. Stories about slavery for children have served as primers for racial socialization. This first comprehensive study of slavery in children's literature, *Slavery in American Children's Literature 1790-2010*, also historicizes the ways generations of authors have drawn upon antebellum literature in their own re-creations of slavery. It examines well-known canonical works alongside others that have ostensibly disappeared from contemporary cultural knowledge but have nonetheless both affected and reflected the American social consciousness in the creation of racialized images. Beginning with abolitionist and proslavery views in antebellum children's literature, Connolly examines how successive generations reshaped the genres of the slave narrative, abolitionist texts, and plantation novels to reflect the changing contexts of racial politics in America. From Reconstruction and the end of the nineteenth century to the early decades of the twentieth century, to the civil rights era, and into the twenty-first century, these antebellum genres have continued to find new life in children's literature in among other forms: neoplantation novels, biographies, pseudoabolitionist adventures, and neo-slave narratives. As a literary history of how antebellum racial images have been re-created or revised for new generations, *Slavery in American Children's Literature* ultimately offers a record of the racial mythmaking of the United States from the nation's beginning to the present day.

*American Children's Folklore* Simon J. Bronner, 1988 Front cover A

book of rhymes games jokes stories secret languages beliefs and camp legends for parents grandparents teachers counselors and all adults who were once children Growing Up in America N. Ray Hiner, Joseph M. Hawes, 1985 Growing Up in America offers substantial and dramatic evidence that the history of childhood has come of age Its authors demonstrate the breadth and depth of interest as well as high quality of work in a field that is finally attracting the attention it deserves Strongly influenced by new social history and its concern for the powerless and inarticulate Growing Up in America provides illuminating insights on children from infancy to adolescence and from the colonial period to present The very title of this fine and enormously instructive anthology of essays makes its quiet but important point that children grow up in a particular nation rather than in a family or home isolated from the influence of social cultural political and historical forces An admirably diverse and instructive collection Georgia Historical Quarterly **Embracing, Evaluating, and Examining African American Children's and Young Adult Literature** Wanda M. Brooks, Jonda C. McNair, 2008 Serious scholarship on African American children s and young adult literature is a relatively recent phenomenon To date only a handful of book length works aside from doctoral dissertations have been devoted to the exploration of this body of work and the historical works that are at its foundation Embracing Evaluating and Examining African American Children s and Young Adult Literature features 12 original essays that present research related to African American children s literature books intended for youth that are written by and about African Americans conducted by scholars from leading academic institutions Editors Wanda M Brooks and Jonda C McNair offer a bouquet of diverse perspectives on African American children s and young adult literature focusing attention on texts on readers and on pedagogical strategies that have the potential to bring the texts and the readers together Beginning with a foreword by one of the leading scholars in the field of African American children s and young adult literature Rudine Sims Bishop the varied disciplinary perspectives put forth in this book will inspire others to embrace evaluate and examine African American children s and young adult literature for many years to come **Library of Congress Subject Headings** Library of Congress, 2003 **Modern American Library Economy as Illustrated by the Newark N. J. Free Public Library: Course of study for normal school pupils on the use of a library** John Cotton Dana, 1925 **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office, 1997 American Journal of Public Health , 1927 **Children's Catalog** H.W. Wilson Company, 1938 The 1st ed includes an index to v 28 36 of St Nicholas **A Comparison of American and Filipino Children by Means of the Draw-a-person Test** Josefina Averilla Limuaco, 1959 **Papers and Proceedings** American Library Association. Annual Conference, 1921 Index to Publications of the American Association of Museums American Association of Museums, 1927 **American Medicine** , 1919 Asian Children in American Classrooms , 1977 Classics of American Librarianship Arthur Elmore Bostwick, 1914 **The Anglo American Review** , 1921 **The Bookman** , 1905 **Dearborn Independent** , 1925 **The People's Home Journal** , 1921
