## **100 Most Influentials Ever Written:**

The 100 Most Influential Books Ever Written Martin Seymour-Smith, 2001 The hundred books discussed here have radically altered the course of civilisation whether they have embodied religions practised by millions achieved the pinnacle of artistic expression pointed the way to scientific discovery of enormous consequence redirected beliefs about the nature of man or forever altered the global political landscape For each there is a historical overview an analysis of the work s effect on our lives today and a lively discussion of the reasons for inclusion

**The Greatest Farce of History** Gopal Chowdhary, 2014-03-04 The book seeks to analyse the faultlines and subversion in the ancient history of India in the praxis of social domination and systematic marginalization and obliteration of traditional political elites or traditional Kshatriya that social elites Priestly class or caste of ancient India achieved just to maintain their socio political domination and hegemony This rather myopic act led to the balkanization of socio political scape of mediaeval India resulting into subjugation plunder and foreign invasions and rule for one thousand years Through the case study of Krishna and Mahabharata period the book tries to illuminate the so called Dark Age of the Indian history Despite the numerous archaeological proves found in the form of Painted Grey Ware PGW associated with Mahabharata period and Black Red Ware BRW with different shades associated with Krishna and Yadavas which tally with details of different scriptures and epic nothing seems to be happening in this regard This very fact seems to underline the continued saga of subversion and domination that seemed to have been ingrained in the post Krishna and Mahabharata period Once the deification and mystification of great historical personality and period such as Krishna and Mahabharata was started just to negate the socio political revolutions ushered into it seems to have continued and institutionalized

**Political Violence in Judaism, Christianity, and Islam** Jonathan Fine, 2015-03-26 Religious political violence is by no means a new phenomenon yet there are critical differences between the various historical instances of such violence and its more current permutations Since the mid 1970s religious fundamentalist movements have been seeking to influence world order by participating in local political systems For example Islamic fundamentalism is at the heart of the Muslim Brotherhood in Egypt the Christian fundamental right wing has seen a resurgence in Europe and Jewish fundamentalism is behind the actions of Meir Kahane s Kach movement and the settler movement The shift in recent years from secular to religious political violence necessitates a reevaluation of contemporary political violence and of the concept of religious violence This text analyzes the evolution of religious political violence in both historical and contemporary perspectives Since religious political violence events are usually associated with the term terrorism the book first analyzes the origins of this controversial term and its religious manifestations It then outlines and highlights the differences between secular and religious political violence on ideological strategic and tactical levels before comparing the concept of Holy War in Judaism Christianity and Islam Lastly it shows how modern radical monotheistic religious groups interpret and manipulate their religious sources and ideas to advocate their political agendas including the

practice of violence A unique comparative study of religious political violence across Judaism Islam and Christianity this text features many international case studies from the Crusades to the Arab Spring **Writing Wild** Kathryn Aalto,2020-06-23 Re centers and gives voice to a diversity of women naturalists and writers across time Cultivating Place In Writing Wild Kathryn Aalto celebrates 25 women whose influential writing helps deepen our connection to and understanding of the natural world These inspiring wordsmiths are scholars spiritual seekers conservationists scientists novelists and explorers They defy easy categorization yet they all share a bold authenticity that makes their work both distinct and universal Part travel essay literary biography and cultural history Writing Wild ventures into the landscapes and lives of extraordinary writers and encourages a new generation of women to pick up their pens head outdoors and start writing wild *The Making of Modern Economics* Mark Skousen,2016-01-08 This book presents a bold engaging and updated history of economics the dramatic story of how the great economic thinkers built today s rigorous social science Noted financial writer and economist Mark Skousen has revised this popular work now in its third edition This comprehensive yet accessible introduction to the major economic philosophers of the past 225 years begins with Adam Smith and continues through the present day The text examines the contributions made by each individual to our understanding of the role of the economist the science of economics and economic theory Boxes in each chapter highlight little known and entertaining facts about the economists personal lives that had an influence on their work Writing Feminist Lives Malin Lidström Brock,2017-05-05 This book draws attention to the controversy that surrounds Betty Friedan Germaine Greer Gloria Steinem and Simone de Beauvoir s lives and the important role that their life stories have played in their feminist writing Directly and indirectly the four women have contributed to battles over feminism s meaning through autobiographically informed political writing Inevitably therefore their biographers are also participants in these battles yet not always on the same side as their subjects Writing Feminist Lives introduces a further fold of nuance into considerations of biography and feminism by showing that the biographers of the four women have made methodological choices that reflect their loyalty to or their scepticism towards competing ideological definitions of the exemplary feminist life **The New International Encyclopædia** Frank Moore Colby,Talcott Williams,1917 G.I. Gurdjieff Michael Pittman,2008 This volume presents a selection of writings based on papers originally presented at the G I Gurdjieff Caucasian Influence in Contemporary Life and Thought conferences or as they came to be called the Armenia Gurdjieff Conferences which were held in Yerevan Armenia in the summers from 2004 2007 Gurdjieff was born in Gyumri Armenia to an Armenian mother and a Cappadocian Greek father and was raised in eastern Asia Minor and the Caucasus According to his own accounting he spent his early years traveling in Central Asia Asia Minor Egypt India and Tibet in search of undiscovered knowledge Eventually after 1921 his work led him to Europe where lived wrote and taught until his death in 1949 Though not having received great popular attention he remains an important figure of the twentieth century and his influence continues to grow into the twenty first century A growing body of secondary

literature connected to the work of Gurdjieff has been produced in fields as disparate as psychology philosophy literature health ecology and religion The conferences and the book aim to provide a forum of exchange about the ideas influence and work of Gurdjieff while making a contribution to the reintroduction of the work of Gurdjieff to Armenia which had been cut off from his ideas and works during the Soviet period The articles here reflect a range of work addressing key contributions and ideas of Gurdjieff from more academic studies of All and Everything or Beelzebub TM s Tales to His Grandson to a discussion of the application of Gurdjieff TM s ideas and principles in the education of children to a chapter on the music and of Gurdjieff and Thomas de Hartmann
