Another Realm:

Taleworlds and Storyrealms K. Young, 2012-12-06 Beginning is the hardest ITPment not because openers are all that scarce but because you're blowing into cracking a universe. Maurice Natanson openings are already directed toward closings. The first question in presenting a body of work is where to cut in. This is an especially difficult question since the cut in provides a perspective on what follows. A cut is an angle of entry. Wherever I enter from there a realm unfolds itself. In that sense my angle of entry is my point of view. A realm cut into has an orientation. It evidences a hierarchy of importance, relevance, accessibility, value, or logic. Its content is no longer neutral and equivalent. From my perspective the realm is not only differentiated in substance but differential in significance. There is a relation between angles and attitudes. Where I look from is tied up with how I see. The first cut opens out into a frame of reference. What counts as lines of evidence in that realm materialize along with its background, expectancies, its assumptions, concentrations, and confusions, its cosmology, quirks, and enchantments. Hence once I am committed to a perspective I am implicated in a methodology, one possessed of puzzles of a certain shape, ITPping toward solutions within its orthodoxy. Openings are directed toward closings. Another cut would open onto another realm. The realm of events I cut into is a Taleworld inhabited by characters acting in their own space and time.

Science, 1910 The Ministry, Vol. 12, No. 03 Various Authors, 2008-03-01 This issue of The Ministry contains a complete record of the six messages given during the 2007 Thanksgiving Weekend Conference held in Boston, Massachusetts on November 22-25, 2007. The general subject of the conference was "Closely Following the Present Vision of the Lord's Recovery." The burden of these messages can be summarized in the following four statements: 1. To live out and work out the New Jerusalem is to live out and work out God's complete salvation according to the intrinsic essence of the unique New Testament ministry for the reality of the Body of Christ and a new revival. 2. God became man so that man may become God in life and nature but not in the Godhead to produce and build up the Body of Christ for the fulfillment of God's economy to close this age and bring Christ back to set up His kingdom. 3. God's intention is through the universal woman to bring forth the man-child, the stronger part of God's people whom He will use to defeat His enemy and bring in His kingdom. 4. We must closely follow the present vision of the Lord's recovery by holding to the teaching of the apostles to remain in the essence of oneness. The Reports and Announcements section includes a schedule concerning the upcoming conferences and trainings for 2008.

The Corruption Miracle Mcillwain, 2019-07-30 A day not similar to most something strange happened. Something has been planted inside a realm. Something abnormal, something unnerving, something that would make all hearts tremble. A virus. No one knew how this virus formulated nor did they know the devastating effects of its existence. But few people knew the perfect name for this virus: the Corruption. Ora, the leading character, must find any means possible to stop the corruption from spreading across all realms. Various people begin to accompany her on this grand journey, all not knowing what will happen next. There will be bloodshed, tears, sorrow, and laughter. With all but one believer of the Orb of Light will
