well as the limits of their encounters It takes the story beyond the clichés of opium fighting and the diplomatic skills needed to fend off rivals and enemies and probes some areas of more intimate encounters not least the beginnings of a wider English speaking future

Encounters Print Bundle Cynthia Y. Ning, John S. Montanaro, 2016-03-01 *Chinese Encounters with America* Deborah Davis, Terry Lautz, 2025-05-27 Chinese Encounters with America tells the stories of twelve women and men whose American experiences transformed their lives and influenced China's trajectory with a particular focus on the period after Beijing and Washington established full diplomatic relations in 1979 Each chapter recounts how these Chinese citizens interpreted America and adapted their understanding to bolster China's quest for modernization Their professions range from diplomacy business and science to sports education and the arts but their distinctive stories are united by shared questions Why did they go the United States and why did they return to China What difference did their encounters with America make in their lives and careers What do their experiences tell us about the complexities of Sino American interactions At a time when US China relations are contentious this book challenges the idea that American and Chinese interests and values are incompatible It shows that personal encounters have been instrumental in finding common ground even when there are differences and disagreements Through vivid and engaging profiles Chinese Encounters with America offers a fresh nuanced understanding of the world's most pivotal relationship

Anglo-Chinese Encounters Before the Opium War Xin Liu, 2022-08-12 Anglo Chinese Encounters Before the Opium War A Tale of Two Empires Over Two Centuries studies the fascinating encounters between the two historic empires from Queen Elizabeth I's first letter to the Ming Emperor Wanli in 1583 to Lord Palmerston's letter to the Minister of China in 1840 Starting with Queen Elizabeth I's letter to the Chinese Emperor and ending with the letter from Lord Palmerston to the Minister of China just before the Opium War this book explores the long journey in between from cultural diplomacy to gunboat diplomacy It interweaves the most known diplomatic efforts at the official level with the much unknown intellectual interactions at the people to people level from missionaries to scholars from merchants to travelers and from artists to scientists This book adopts a novel mirror approach by pairing and comparing people texts commodities artworks architecture ideologies operating systems and world views of the two empires Using letters gifts and traded goods as fulcrums and by adopting these unique lenses it puts China into the world history narratives to contextualise Anglo Chinese relations thus providing a fresh analysis of the surviving evidence Xin Liu casts a new light on understanding the Sino centric and Anglo centric world views in driving the complex relations between the two empires and the reversals of power shifts that are still unfolding today The book is not intended for specialists in history but a general audience wishing to learn more about China's historical engagement with the world

Chinese Encounters in Southeast Asia Pál Nyíri, Danielle Tan, 2016-12-01 This is the first book to focus explicitly on how China's rise as a major economic and political actor has affected societies in Southeast Asia It examines how Chinese investors workers tourists bureaucrats longtime residents and adventurers interact throughout Southeast Asia The

contributors use case studies to show the scale of Chinese influence in the region and the ways in which various countries mitigate their unequal relationship with China by negotiating asymmetry circumventing hegemony and embracing resisting or manipulating the terms dictated by Chinese capital

Being Maori Chinese Manying Ip,2013-10-01 Presenting the stories behind several generations of seven Maori Chinese families whose voices have seldom been heard before this account casts a fascinating light on the historical and contemporary relations between Maori and Chinese in New Zealand The two groups first came into contact in the late 19th century and often lived and interacted closely leading to intermarriage and large families By the 1930s proximity and similarities had brought many Maori Chinese families together the majority of whom had to deal with cultural differences and discrimination The growing political confidence of Maori since the 1970s and the more recent tensions around Asian immigration have put pressure on the relationship and the families dual identities Today s Maori Chinese reaffirming their multiple roots and cultural advantages are playing increasingly important roles in New Zealand society This account is oral history at its most compelling an absorbing read for anyone interested in the complex yet rewarding topic of cultural interactions between indigenous and immigrant groups
