

Chorale For Poets

Claude Calame

Chorale For Poets:

Chorale for Poets Gertrude May Lutz, 1984 **Chorale** Martin Steingesser, Judy Tierney, Melissa Mirarchi, Deborah Pfeffer, Sarah Hyde, Nick Stone, Bill Gregory, Nancy Austin, Alan Harawitz, Kathy Slack, 2022-04-26 These poets write about passages their own and our country's looking deeply at the world as they find it They investigate those profound memories that shape us throughout our lives and examine the natural world that can transform us every day They are a community of writers and their poems at times become a call and response voices joined together to create images and stories that evoke and complement each other At a time in our world when darkness feels omnipresent these poets remind us that there is light in everything as well Stuart Kestenbaum Maine's 5th Poet Laureate Poetry Anthology *Chorale at the Crossing* Peter Porter, 2015-11-19 When Peter Porter died in 2010 his reputation as one of the greatest Australian poets had long been settled *Chorale at the Crossing* gathers together the work Porter completed after the publication of his widely praised final collection *Better than God* and shows a remarkable and capacious mind apparently furnished with half the contents of Western culture still working at full tilt despite the imminence of his own passing *Chorale at the Crossing* contains love poems comic excursions and meditations on art death music and nature all written with Porter's phenomenal technical facility and immense good humour *Chorale at the Crossing* is the last word from one of our wisest and most compassionate poets and is quite simply necessary reading *Imagining the Chorus in Augustan Poetry* Lauren Curtis, 2017-09-14 This book offers a new interpretation of Augustan literature focusing on its imaginative reading of Greek musical culture

Greek Melic Poets Herbert Weir Smyth, 1900 **Choral Tragedy** Claude Calame, 2024-05-02 Explores how Greek tragedy was fundamentally choral and deeply connected to the cultic and ritual contexts of its performance **A Heavenly Chorus** Justin Jeffcoat Schedtler, 2014-10-30 The claim that Revelation's hymns function as did Classical tragic choral lyrics insofar as they comment upon or interpret the surrounding narrative has become axiomatic in studies of Revelation Justin Jeffcoat Schedtler marks an advance in this line of inquiry by offering an exegetical analysis of Revelation's hymns alongside a presentation of the forms and functions of ancient tragic choruses and choral lyrics Evaluating the hymns in light of the varieties and complexities of ancient tragic choruses he demonstrates that they are not best evaluated in terms of choral lyrics generally but in terms of dramatic hymns in particular insofar as they constitute mythological theological reflections on the surrounding narrative and function to situate the surrounding dramatic activity in a particular mythological theological contexts **Poetry Arranged for the Speaking Choir** Marion Parsons Robinson, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure

a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Imagining the Chorus in Augustan**

Poetry Lauren Curtis,2017-09-14 From archaic Sparta to classical Athens the chorus was a pervasive feature of Greek social and cultural life Until now however its reception in Roman literature and culture has been little appreciated This book examines how the chorus is reimagined in a brief but crucial period in the history of Latin literature the early Augustan period from 30 to 10 BCE It argues that in the work of Horace Virgil and Propertius the language and imagery of the chorus articulate some of their most pressing concerns surrounding social and literary belonging in a rapidly changing Roman world By re examining seminal Roman texts such as Horace s Odes and Virgil s Aeneid from this fresh perspective the book connects the history of musical culture with Augustan poetry s interrogation of fundamental questions surrounding the relationship between individual and community poet and audience performance and writing Greek and Roman and tradition and innovation A Book of Choruses for High Schools and Choral Societies George Whitefield Chadwick,Osbourne

McConathy,Edward Bailey Birge,William Otto Miessner,1923 Greek Lyric Poetry George Stanley Farnell,1891 **The Sackbut** ,1929 **Studies of the Greek Poets** John Addington Symonds,1893 **Choir and Choral Music Edition, Musical Record and Review** ,1902 **A History of Greek Literature** Frank Byron Jevons,1889 *The Stage in the Attic Theatre of the 5th Century, B.C. ...* John Augustine Sanford,1895 *Cyclopædia of English Poetry* Thomas Campbell,1875 Universal Cyclopdia and Atlas ,1903 *Johnson's New Universal Cyclopædia : a Scientific and Popular Treasury of Useful Knowledge* ,1876 The Greek Classics: Didactic and lyric poetry ,1909
