**Contemplative Bible Reading** Richard Peace,2015-06-22 A new way to read the Bible Spiritual disciplines are simply ways to open ourselves to God They help us become aware of the many ways God speaks to us and provide us with ways to respond to God This book explores and explains how the historical disciplines and perspectives of the Christian faith can deepen both our walk with God and our community with others Reading the Bible is something that most of us are familiar with Some even do it regularly But do we really think about how we read and respond to Scripture How deeply do we allow ourselves to be impacted by it Contemplative Bible reading or lectio divina as it is often called is an ancient method of approaching Scripture Consisting of four parts this method begins with the selected biblical passage and moves to meditating praying and contemplating what God is revealing through the Bible Many of us tend to think of meditation as something done individually but reflecting on Scripture in a small group invites us to act and encourages us to share with others how God is calling us to respond Contemplative Bible Reading examines this spiritual discipline and invites your small group to approach Scripture in a new and challenging way By exploring different passages and learning to hear God s voice in them this guide will help you meditate and act on the truth of the Bible *A Practical Guide to Culture* John Stonestreet,Brett Kunkle,2017-06-01 We don t have to lose the next generation to culture In this practical guide John Stonestreet and Brett Kunkle explore questions including What unseen undercurrents are shaping twenty first century youth culture Why do so many kids struggle with identity How do we talk to kids about same sex marriage and transgenderism How can leaders steer kids away from substance abuse and other addictions How can we ground students in the biblical story and empower them to change the world With biblical clarity this is the practical go to manual to equip kids to rise above the culture

**Meditation and Communion with God** John Jefferson Davis,2012-08-02 John Jefferson Davis summons the resources of traditional biblical meditation for a culture lost in the cloud He establishes the trinitarian view of God s real presence in Scripture and then ushers readers through three successive stages of meditation consummating in a method for deep assimilation of the Christian worldview [The Mindful Medium: A Practical Guide to Spirituality](#) Alison Grey,2024-03-29 Always clear and always good humoured the aspiring practitioner would be hard pushed to find a better guide to this often confusing area Dr Ian Rubenstein GP and author of Consulting Spirit A doctor s Experience with Practical Mediumship Everyone has a unique journey a life purpose and an inner light which guides them You simply need to listen The Mindful Medium is an inspiring practical guide for awakening Inside these pages Alison Grey applies her knowledge and
