A Promise Made:

Because God Made a Promise to Abraham Buddy Selman,2011-01-31 Because God made a promise to Abraham concerning inheriting the land of Israel a question arises To which line of Abrahams descendants was the Promise made Thats important because they worship different Gods This poses the problem who is the true God This is the question of the ages concerning all claims of Deity All things of life and death depend on that answer This book addresses questions from the perspective that the God of the Bible through Abraham Isaac and Jacob is the true God and the God of true Christianity It distinguishes between true and counterfeit Christianity The war that started with Satans attempt to dethrone God and elevate himself to the Almighty is the defining factor of conflict Association is made between spiritual determinations and earthly happenings The next earthly event distinguishing where we are in time is the Russian invasion of Israel The only remaining possibility for Satans success is stopping God from keeping His promise to Abraham The mid east peace problem is not just about ownership of land but about who is God Also addressed doctrines and theories taught in error Dispensations covenants and promises are defined How Revelation is structured and plays out is explained ne purpose of the book is to cause the reader to think Not just about things termed religious but in truth how all things are related especially political Hopefully it gives insight on how to prepare mentally spiritually and materially for what Scripture says will happen Evidence shows we are the generation that experiences the Biblical end times and the fulfillment of Gods promise to Abraham America must choose follow the true God or the Satanic one world government The book challenges the true Church to reestablish scripture as our highest authority and be about our task

Dancing with Camels Mike Burnard,2016-03-10 It would be such a waste of time if we read the book and do not move on to a next level of followship The journey of faith should become a cycle of faith with new levels of commitment that will be required as we start higher and deeper levels of the process time and again Moving from discipleship to apostleship on the journey of faith will require that we sit down and count the cost once again but this time on a higher level Let us consider the words of A J Nock The mind is like the stomach It is not how much you put into it that counts but how much it digests So let us digest act and do

All the Promises of the Bible Herbert Lockyer,2017-06-06 Promises You Can Stand On Through Thick and Thin The Bible is filled with hundreds of what the apostle Peter called exceeding great and precious promises definite explicit declarations God has made that you can count on In All the Promises of the Bible Dr Herbert Lockyer discusses the nature of God s promises their substance simplicity surety source security scope Lockyer s in depth look at the scope of God s promises arranges them in categories that cover the full array of human concerns from the spiritual to the material and the corporate to the personal As you come to understand God s promises and how they apply to every aspect of your life you ll gain a trust in God that will sustain you through the worst of times and be your source of rejoicing in the best X
