A Putney Plot:

A Putney Plot? Peter Hain, 1987 *A Putney Plot? Peter Hain* Peter Hain, 1987 **Plots and Paranoia** Bernard Porter, 2016-01-29 Britain's secret state exists to protect her from enemies within. It has always aroused controversy: on the one hand it is credited with preventing wars, revolutions and terrorism and on the other it is accused of subverting democratically elected governments and luring innocents to death. What is the true story? The book first published in 1992 delves beneath the myths and deceptions surrounding the secret service to reveal the true nature and significance of covert political policing in Britain from the spies and bloodsuckers of the eighteenth century to today's MI5. This title will be of interest to students of modern history and politics. *Liberation and Corruption* Peter Hain, 2026-10 Why are liberation and independence movements often betrayed when their leaders get into government? This question has haunted Peter Hain for decades. A lifelong activist and politician, Hain has over 50 years' experience of battling corruption from his early days as a freedom fighter against apartheid to his time as a UK Labour MP, cabinet minister and sitting member of the House of Lords. He offers a gripping exploration of why movements born from the ideals of justice and freedom often succumb to bad governance and corruption once in power. Combining rigorous analysis with well-sourced evidence, this book examines global examples ranging from Africa to Latin America, Russia, the Caribbean, China and India. With the unique perspective of having navigated both the streets of protest and the corridors of power, Hain reflects on the challenges of staying true to the values of liberation struggles while confronting their disappointing outcomes. Thought-provoking and accessible, this book is an essential read for anyone engaged in the fight for a better world. *Outside In* Peter Hain, 2012-01-23 Peter Hain has always spoken his mind. So he does in this book. Here he tells his story as an outsider turned insider: anti-apartheid militant to Cabinet minister serving twelve years in Labour's government between May 1997 and May 2010. Growing up as the son of courageous anti-apartheid South Africans, Peter Hain was first in the public eye aged fifteen, reading at the funeral of an anti-apartheid friend hanged in Pretoria. Living in exile in Britain during his late teens, he led campaigns to disrupt whites-only South African sports tours. His political notoriety resulted in two extraordinary Old Bailey trials and a letter bomb. Hain recalls his role in negotiating the historic 2007 settlement in Northern Ireland, being Britain's first ever African-born Africa Minister and acting as a passionate advocate and deliverer of devolved government to Wales. Featuring Iraq, Mugabe, Europe, Gibraltar, blood diamonds, work alongside MI5 and MI6 and the delivery of justice for workers robbed of their pensions and compensation for sick miners, Hain's autobiography gives a fascinating insight into life near the top of the Blair and Brown governments. *A Pretoria Boy* Peter Hain, 2021-09-09 A stalwart anti-racist and anti-apartheid campaigner, Doreen Baroness Lawrence. From fighting for Nelson Mandela's freedom to exposing his betrayal under Jacob Zuma, a 50-year story of constant campaigning. Sir Trevor McDonald, broadcaster. The powerful and timely story of Peter Hain's political life fighting South African apartheid and modern-day corruption. Peter Hain has had a dramatic 50-year political career in Britain and his

native South Africa This is the story of that extraordinary journey from Pretoria to the House of Lords Hain vividly describes his anti apartheid parents arrest and harassment in the early 1960s the hanging of a close white family friend and enforced London exile in 1966 After organising militant anti Springbok demonstrations he became Public Enemy Number One in the South African media Narrowly escaping jail for disrupting all white South African sports tours he was framed for bank robbery and nearly assassinated by a bomb He used British parliamentary privilege to expose looting and money laundering in President Jacob Zuma s administration informed by his government deep throat and likely influenced Zuma s resignation Hain ends by exhorting South Africa to reincarnate Nelson Mandela s vision and integrity for the future Praise for A Pretoria Boy Peter s gripping story and his passionate activism resonates with me over our common African childhood and exile in Britain Natasha Kaplinsky broadcaster A tour de force over an extraordinary half century of campaigning for justice Helen Clark former New Zealand Prime Minister and United Nations Development Chief Talk about courage and chutzpah this young un helped topple apartheid Ronnie Kasrils former ANC underground chief and Minister The Land & house property year book, publ. by F.P.
