*Reforming Secondary Science Instruction* Julie Gess-Newsome, Julie Luft, Randy L. Bell, 2009

Every chapter offers the opportunity to assess teaching techniques and find room for improvement Whether you are early in your career or a seasoned professional *Reforming Secondary Science Instruction* will help craft a workable plan for giving students the tools they need to succeed beyond the classroom

Science Teacher Educators as K-12 Teachers Michael Dias, Charles J. Eick, Laurie Brantley-Dias, 2013-07-08 Science teacher educators prepare and provide professional development for teachers at all grade levels They seek to improve conditions in classroom teaching and learning professional development and teacher recruitment and retention *Science Teacher Educators as K 12 Teachers Practicing What We Teach* tells the story of sixteen teacher educators who stepped away from their traditional role and entered the classroom to teach children and adolescents in public schools and informal settings It details the practical and theoretical insights that these members of the Association of Science Teacher Educators ASTE earned from experiences ranging from periodic guest teaching to full time engagement in the teaching role *Science Teacher Educators as K 12 Teachers* shows science teacher educators as professionals engaged in reflective analysis of their beliefs about and experiences with teaching children or adolescents science With their ideas about instruction and learning challenged these educators became more aware of the circumstances today s teachers face Their honest accounts reveal that through teaching children and adolescents teacher educators can also renew themselves and expand their identities as well as their understanding of themselves in the profession and in relation to others *Science Teacher Educators as K 12 Teachers* will appeal to all those with an interest in science education from teacher educators to science teachers as well as teacher educators in other disciplines Its narratives and insights may even inspire more teacher educators to envision new opportunities to serve teachers K 12 learners and the local community through a variety of teaching arrangements in public schools and informal education settings
