Dusty Springfield

Complete Dusty Springfield:

The Complete Dusty Springfield Paul Howes, Petula Clark, 2012-08-28 Drawing on meticulous archive research and interviews with Dusty's friends and collaborators Paul Howes details every song in Dusty's entire catalogue. This revised edition of *The Complete Dusty Springfield* includes new chapters on the Lana Sisters and the Springfields, expanded entries on Dusty's solo tracks and an in-depth analysis of Dusty's live work for TV and radio. **The Complete Dusty Springfield** Petula Clark, Paul Howes, 2012. "She's So Fine: Reflections on Whiteness, Femininity, Adolescence and Class in 1960s Music" Laurie Stras, 2017-07-05. *She's So Fine* explores the music reception and cultural significance of 1960s girl singers and girl groups in the US and the UK. Using approaches from the fields of musicology, women's studies, film and media studies, and cultural studies, this volume is the first interdisciplinary work to link close musical readings with rigorous cultural analysis in the treatment of artists such as Martha and the Vandellas, The Crystals, The Blossoms, Brenda Lee, Dusty Springfield, Lulu, Tina Turner, and Marianne Faithfull. Currently available studies of 1960s girl groups and girl singers fall into one of three categories: industry-generated accounts of the music's production and sales; sociological commentaries or omnibus chronologies; discographies. *She's So Fine*, by contrast, focuses on clearly defined themes via case studies of selected artists. Within this analytical rather than historically comprehensive framework, this book presents new research and original observations on the 60s girl group and girl singer phenomenon. *Dusty!* Annie J. Randall, 2008-11-17. Dubbed the White Queen of Soul, singer Dusty Springfield became the first British soloist to break into the US Top Ten music charts with her 1964 hit "I Only Want to Be with You," a pop classic followed by many others including "You Don't Have to Say You Love Me" and "Son of a Preacher Man." In this penetrating look at her music and career, Annie J. Randall shows how this middle-class former convent girl became perhaps the unlikely of artists to achieve soul credibility on both sides of the Atlantic. *Dusty Springfield [music CD]*. Dusty Springfield, **The Encyclopedia of Popular Music** Colin Larkin, 2011-05-27. This text presents a comprehensive and up-to-date reference work on popular music from the early 20th century to the present day. **Dusty Springfield** Laurence Cole, 2008. *Dusty Springfield in the Middle of Nowhere* deals with the idea of Dusty Springfield as cultural icon, partly promoted by the woman who went by that name, partly interpreted down the years by newspapers, magazines, television, books, websites, and of course by the author. The book describes the cultural reception of Dusty Springfield when she was alive and since her death. What has been said and written about her music, appearance, and celebrity is reviewed with the intention of building a picture of her place in Anglo-American culture. Although neither history nor biography in any conventional sense, the book may be viewed as containing historical and biographical features as it narrates a life in text across nearly half a century. The writing also sets Dusty against the musical and social background of her times and provides theoretical perspectives against which to discuss her artistry. This is the first book-length study of Dusty Springfield's contribution to popular culture in terms of race, gender, or sexuality and will appeal not only to Dusty fans.

but also to readers with a general interest in popular music or cultural studies BOOK JACKET *The Complete Report of the First International Music Industry Conference* Paul Ackerman, Lee Zhito, 1969 **Forthcoming Books** Rose Army, 2002-02
